

FEGS - Privacy Policy

Under data protection law, individuals have a right to be informed about how the FEGS uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair collection notices') to individuals where we are processing their personal data. This privacy notice explains how we collect, store and use personal data.

The personal data we hold

Personal data that we may collect, use, store and share:

- Name and address
- Other contact information including email addresses and telephone numbers

Why we use this data

We use this data to:

- Contact individuals for support and help at school fundraising events
- Compile a list of attendees and year group for school fundraising events
- Compile a list of emergency contact numbers for parents
- Contact winners of raffle and bidding board prizes
- Provide a list of addresses to our estate agent sponsor to promote events through sales boards (if applicable and with prior consent having been requested)

Our legal basis for using this data

We only collect and use personal data when the law allows us to. Most commonly, we process it where:

- We need it to perform a fundraising event in the school's interest
- We have obtained consent to use it in a certain way

Where we have obtained consent to use personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn. (You may email the FEGS on fegs.pta@outlook.com to request removal of your personal details)

Some of the reasons listed above for collecting and using personal data overlap, and there may be several grounds which justify our use of this data.

Collecting this information

While the majority of information we collect is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you (or your child – only if and when applicable to a specified event), we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

How we store this data

We keep all electronic personal information on a database held and accessed by the committee members. Any paper based information e.g. raffle tickets, will be stored securely and confidentially disposed of.
