Dear Parent/Carer

### Re: Change to Parents' Evenings

From this academic year there will be a change to how we conduct Parents' Evenings.

You will receive your child's report via the Parent Portal ahead of the Parents' Evening (paper copies will no longer be sent home). You will then be given a time slot in which to receive either a telephone call or an email, if that is more convenient. The form tutor will talk about your child's progress holistically, discuss their report and outline any interventions taking place in school.

These changes are necessary to assist with social distancing between adults. Depending on the national or local restrictions at the time of the evening it is possible that the appointments will be phone calls or via email so as to reduce the risk of Covid transmission.

The dates for the Parents' Evenings are as follows:

- Year 11      Thursday 21 January 2021
- Year 9        Thursday 25 February 2021
- Year 10      Thursday 25 March 2021
- Year 8        Thursday 29 April 2021
- Year 7        Thursday 1 July 2021

Yours faithfully
