

Dear parent/carer,

We are very much looking forward to welcoming your child/children back to school from **Wednesday 9th September**. Leaders have worked extremely hard to put plans in place to make the school environment as safe a place as it can possibly be, including additional handwashing and cleaning, along with **staggered start and finish times**.

It is very important that

- your child **arrives at the start time** allocated to them
- your child uses the **correct gate** that has been allocated to them
- your child is **collected promptly at their finish time**.

We have put measures in place to support adults with social distancing, including

- **only one adult** from each household to drop off and pick up the child/children.
- **All** children will be dropped off at the school gates
- Foundation Stage, Year 1, 2 and 3 children will be collected from their usual doors by one adult only. No additional adults will be allowed on the school site and social distancing will be in place at all times.
- Year 4, 5 and 6 children will be collected from the school gates by one adult only. Social distancing will be in place at all times. Please let us know if you wish your child to walk home alone.
