Dear Parents/carers,

Hope you are and your families are well.

As the end of this strange school year draws to a close our plans are already in place for September. As I said in my previous letter the DFE guidance for full reopening of schools was published on 2<sup>nd</sup> July. The guidance has been written to ensure all children return to school in September, have a full curriculum entitlement, whilst also continuing to keep children and staff safe and well.

Our whole school team is delighted about this and the following plans have been made to ensure we can do this safely for all our children, parents and staff.

If you do require any additional information, please contact school either by phone or email.

#### Uniform

It will be lovely to see all the children returning in September in their Dunn Street school uniform. Please see attached sheet regarding our uniform and PE kit.

In September the children will need to bring in their PE kit, book bag (if used) and a water bottle but no other bags or pencils cases etc will be needed in school.

#### Attendance

School attendance will be mandatory again from start of September. This means that the usual rules on school attendance will apply for all children

#### School day

We have arranged the times and the children's entry and exit from school following the government guidance. This is to alleviate large groups of people having to congregate in one area at the same time. Can you please help school by adhering to the social distancing guidance when dropping off and collecting your children. If accompanied children in Y3-6 can be dropped off at the field gate where they will be met by staff this would also help.
