Welcome to Helen Gibson Nursery

The staff at Helen Gibson Nursery school would like to take this opportunity to welcome all children, parents, carers and families to our school. Our aim is to create a wonderful experience for your child and those who care for them. If you have any questions at all about any query you may have please don't hesitate to speak to a member of staff or the Head Teacher Mrs. Parker. This is a special time in your child's life and we would like it to be a happy experience for all.

Start and End of the Day

We have decided to 'zone' the yard to support with social distancing. Please take your child to their zone at the beginning of the session and wait for their keyworker to call for them. Whilst waiting please keep your child with you and try to socially distance from other adults. Our yard is small but if we work together we can make it as safe as possible. At the end of the session all parents / carers need to congregate at the zone they have been allocated ready for pick up. This is not how we would normally do it but unfortunately due to Covid 19 our hands are tied. If we all work together we can make this work.

Names in Clothing

Could you please ensure that you put your child's name in all items of clothing and footwear? Confusion can often be upsetting for the children, especially when a pair of unicorn slippers are involved.

Timings

Please ensure that you are on time for the bubble that your child belongs too. We can not mix bubbles due to Covid 19. If you are too early you will need to wait away from the building to allow safe passage for other families. Just give us a ring if there is an issue and I am sure together we can sort it out.

Lodge 8.50 – 11.50 / 12.20 – 3.20

Main Nursery – 9am – 12 / 12.30 – 3.30

All Weather Clothes

Just to remind you that we go out to play in all weather. Can you please send your child to school in clothes that they can also play out in? Can you please put names in clothing and wellies too?

Nursery Mobile Phone

We have a new nursery mobile. In the event that we need to close a bubble you will be contacted immediately via text to free up our land line to answer questions. Please ensure we have an up to date contact number that we can get you on at all times.

Many thanks!

Website

Our website is up and running. It will contain photos, newsletters and things that you can try at home. The web address is www.helengibsonnursery.co.uk. If you do not want pictures of your child being put on the website please ensure you let us know. We also have a facebook page.

Covid 19

Please keep up to date with Covid 19 restrictions and if your child shows any symptoms please do not send them to nursery. Please refer to your parent agreement letter or risk assessment. Both of these can also be found on the website. If your child presents with symptoms at school we will contact you immediately.

Sickness

If your child has sickness or diarrhoea they must be clear for 48 hours before returning to nursery. This stops cross infection occurring.

Donations

Don't forget to put your weekly donation of 50p. The money box will be on the main gate on a Monday and Friday. This money will provide your child with a daily snack and pay for baking and play dough ingredients. Thank you!

Have a great September
