Helen Gibson Nursery School
October 2020

School Holidays/ Training Day

School will break up on Friday the 23rd of October. The nursery will re-open on Tuesday the 3rd of November after our half term holidays and our 1 day training day.

Illness / Holidays

Don't forget to ring in if your child is off poorly. Also if you are going on holiday please see Mrs Howard for a holiday form. If your child develops a temperature of 37.8 or above, has a new cough or loses sense of taste / smell they must have a covid test.

Snack Money

Thank you so much to those parents who have given your weekly 50p snack donation. We use this money to enable children to have a snack during their time in nursery.

Packed Lunches

Can I say a huge thank you to parents and carers who have prepared some delicious packed lunches for their children. At Helen Gibson we treat lunch times as a learning experience, talking about their day, what they are eating and where it has come from. Can I thank those who have chopped up the grapes, given their child not too much and not too little and in Goldilocks words "just the right" amount. Sometimes when children are faced with a huge packed lunch it can seem quite off putting especially for their little tummies. If any parent would like to have some further advice in fussy eating or anything food related please let me know and we can run a virtual workshop in it.

Names in Clothing

Please ensure that your child's name is in their clothing and Wellington Boots. Thanks

Raffle Support

In preparation for our Christmas we were wondering if any parents could help us out with prizes they could donate from their place of work / business/ home for our annual raffle. If you can help please talk to either Mrs Howard or Mrs Dixon.

Social Distancing

Please ensure you social distance from other parents whilst waiting to enter nursery. If you are standing at least 1 metre away from another person, you are much less likely to catch Covid 19.

Online Virtual Workshops

We would love to hear what you would like to learn more about. Whether it is fussy eating or the development of children's communication and language we are aiming to run online workshops to help. If you are interested in any of the following or have your own ideas that you would like to know more about could you email or text to let us know. The online workshops we can offer are :-

Fussy Eating

Mathematical development

Sleep

Behaviour workshop

Boys, Boys, Boys

Communication and language development

Literacy Development

Forest School approach

Praise or Encouragement

Conflict Resolution

Personal Social and Emotional development

If you could let me know what you are interested in and times in a week you are available we will try and accommodate you.

Have a great October
