

Wider Curriculum Home Learning Pack 3 (Y3)

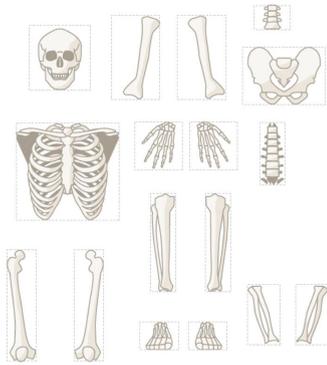

4th – 15th May

Science

Watch the video about the human skeleton.

Can you cut out the different bones and stick them together in the correct place.

As a challenge, why not research what some of the bones are called.

<https://www.bbc.co.uk/bitesize/clips/ztfncw>

PSHE

Taking slow and gentle breaths, in and out, can help us to feel better if we are worried, frightened or sad. Imagine you are blowing up a balloon - take a gentle, deep breath in and slowly breathe out to fill up your imaginary balloon. Tie a knot in the end and tie on a string.

Thinking of things that make us happy can help us to have a positive day. It is a good way of looking after our mental health and wellbeing too!

Draw 5 balloons, write one thing in each one that makes you happy.

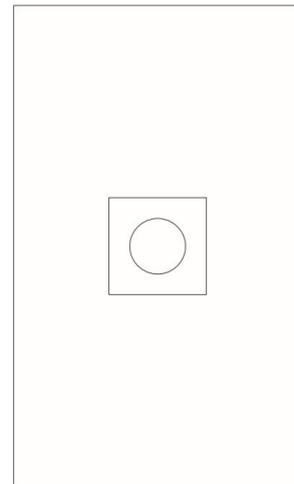

Art

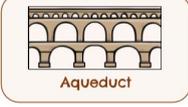

Design your own Roman shield.

Ensure that your decorative design shows off your strength. Designs often included:

- wings;
- eagles;
- lightning bolts.

Why not research some powerful Roman gods to help you with your design?
