Teaching of Mathematics

Dear Parents/Carers,

11/5/20

I am sure after the Prime Minister's statement last night, you will have lots of questions. We have lots of questions that need clarification too.

At the moment, for us in school, there is no change to the guidance. We will continue to provide care for vulnerable pupils and the children of those parents who have been deemed as Key Workers. The message is still that it is safer to stay at home.

We have not received any information to support us with this new plan to start the phased reopening. We expect we will receive further information from the DfE shortly.

We will need clear guidance to plan how it is possible to maintain social distance in schools and keep our children, teachers and families safe.

As always, we will keep you informed but for now, please try not to worry. Our plan is to continue to provide activities for learning at home, keep contact with you, our families, via Class Dojo and ParentMail and continue to support each other in these very difficult and uncertain times.

Kind regards

Tim Shenton

Head Teacher
East Boldon Junior School
