

**Iveshead School**  
**Year 13 Results 2020**  
**A message from Matthew Parrott, Headteacher**

Iveshead is both relieved and pleased to be joining our Year 13 in celebrating their achievements today. Our 2020 cohort will forever be a special one and we are incredibly proud of all our students and staff for their perseverance, resilience and just plain hard work!

Against a national backdrop of Covid-19, calculated grades, mock results and other distractions we are celebrating some fantastic individual results. Once again Iveshead students will be gracing some of the very best universities including both Oxford and Cambridge and we are sending our students on to university where they will be studying for the sciences, the arts and to be our doctors of the future. We are also proud of those students who are now able to start their higher level apprenticeships with a range of prestigious employers. Well done all. We all look forward to following your careers and further study.

A reminder to all our families that school remains open throughout the holiday and we are here to help if you need anything. Mr James, Director of Post 16 can be emailed directly on [njames@ivesheadschool.org](mailto:njames@ivesheadschool.org). Some places remain available to join our Year 12 for the start of new academic year.

Matthew Parrott  
Headteacher

**Iveshead School**  
**Year 13 Results 2020**  
**A message from Alison Riggall, Chair of Governors**

Governors wish to congratulate all our students – and their teachers – on all aspects of their study and their results. We must acknowledge the extraordinary difficulties for them this year and have been pleased to hear about the continued commitment to study from our students, and the myriad ways in which the school has kept in contact with them.

We know the school will continue to provide support to our students as they find their way on to their next experiences. We wish them all the best for their futures, as they go on to more advanced and specialised studies or to start their working life.

Alison Riggall Chair of Governors Iveshead School.
