10/12/2020

Dear Parent/Carer,

We received recent guidance from DFE and following this information, the **last day of school will now be Thursday 17th December 2020. Friday 18th December is now an in-service day and nursery will re-open Wednesday 6th January 2021** as planned. This new in-service day replaces the original one planned for 12th April 2021.

School have been asked to continue test and trace duties for 6 days after pupil's finish school for the Christmas break. We therefore ask that you inform us via the school email/Facebook if your child displays symptoms within 48 hours of being in school with a further email informing us of a Covid test result. The school email/Facebook will be checked once a day until Wednesday 23rd December. You do not need to contact us after this date.

A text will be sent to parents informing them if a positive case has been reported to school within the guidance time scales.

The DFE has stated:

'We recognise this communication has arrived with schools late in the term but would ask schools to be as helpful to parents as they can by sharing changes to the end of term arrangements as soon as possible'

We thank you for your continued support.

Yours faithfully,

Mrs Julie Heron
Head Teacher
