

### Covid-19 Booster & Shot 3 (Immunocompromised) Vaccines

For more detailed information on the Covid-19 vaccination programme visit the HSE website (Covid-19 Vaccine Information for Health Professionals) and view the latest Covid-19 Bulletins.

<https://www.hse.ie/eng/health/immunisation/hcpinfo/covid19vaccineinfo4hps/bulletin/>

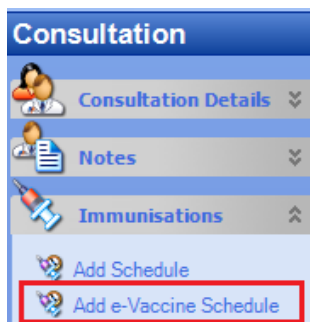

**As per Bulletin 33 (29<sup>th</sup> September 2021):**

- **Booster Shot 1**
- **Shot 3 (Immunocompromised)** - NIAC has recommended that an additional dose (shot 3) of mRNA vaccine be given to Immunocompromised people. See HSE website / Bulletin for the list.

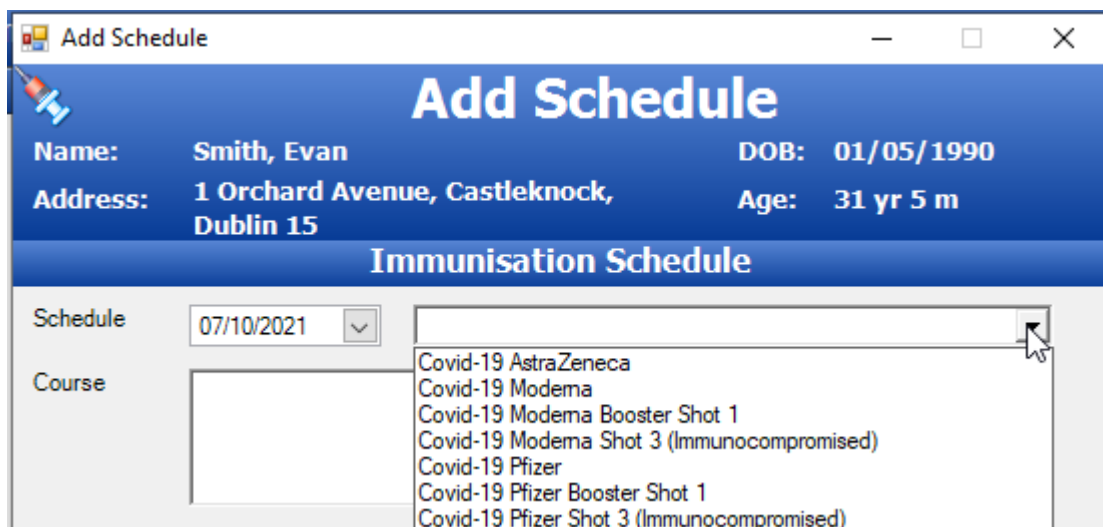

Visit [www.immunisation.ie](http://www.immunisation.ie) regularly for the most up to date information to support vaccinators and health professionals responding to queries.

### Send electronic Immunisation

In the patients' chart (after beginning a consultation) select Immunisations and click the new Quick add button, **Add e-Vaccine Schedule**.

Select the Covid Schedule you are administering from the dropdown list e.g. Covid-19 Pfizer Booster Shot 1.

Complete the additional required fields for electronic submissions ensuring the patient PPSN is correct.

Complete the mandatory fields on the Administer Shot window. **Ensure you have selected the correct Immunisation Shot as this data is transmitted to the HSE.**

Ensure you have also selected the correct **Date Given** for the Shot and the correct **batch number** and **expiry date** i.e. the expiration date for the Vaccine that you have in your fridge.
