Superstar writer Grant Morrison joins legendary artist Jim Lee on Earth-10 for one of the most dynamic, action-packed issues of this entire world-shattering series – THE MULTIVERSITY: MASTERMEN!

Imagine a world where the Nazis not only won World War II but went on to direct world culture for the next 60 years with the help of an orphaned, alien super-weapon known as Overman! But hope is not lost! Rising from the ashes of oppression are a diverse band of heroes raging against the fascist regime – a band of heroes known as THE FREEDOM FIGHTERS!

What nightmarish parallel worlds haunt the dreams of Overman? Who is the mysterious figure called Uncle Sam? And when the dust settles, will the actions of Phantom Lady, Black Condor, Human Bomb, Doll Man and The Ray be enough to stop Leatherwing, Blitzen and the other “heroes” of Earth-X? Learn all this and more in this exciting issue that acts as chapter seven of the critically acclaimed MULTIVERSITY storyline.

In the post-apocalyptic city of New Angeles, killing isn't just a crime – it's entertainment.

When the "big one" finally hit the West Coast, Los Angeles was left in ruins. And when the U.S. government decided to cut the city loose, things went from bad to worse. To survive, L.A. did what it does best: It turned survival into entertainment.

Now, thirty years later, the city of New Angeles is thriving once more thanks to the blood sport known as SUICIDERS – a TV series that combines the spectacle of hand-to-hand combat with elaborate, high-tech obstacles that test each competitor's ability to survive. But these competitors have an edge: They've been freakishly enhanced by drugs and technology. The results are both marvelous and monstrous, as the man called The Saint begins to rise above his fellow Suiciders.

SUICIDERS is a dark, post-apocalyptic epic that tells the story of a strange, brutal world, written and illustrated by Lee Bermejo, the #1 New York Times best-selling writer/artist behind JOKER, BATMAN: NOEL, LUTHOR and BEFORE WATCHMEN: RORSCHACH.

CROSSED +100 #3*(W) Alan Moore (A/CA) Gabriel Andrade*

MR, Color, 32 pages, monthly

UPC: 820023007998 03011

PRODUCT DESCRIPTION: When human civilization is lost, does that mean we've lost our humanity? Alan Moore returns to monthly comics and puts his unique stamp upon the Crossed universe, as he and artist Gabriel Andrade paint a vivid picture of the future 100 years after the outbreak! Future Taylor and her crew uncover a horrific nest and get forced into making some brutal choices. Attempting to piece together the past and the history of the Crossed, Future Taylor is discovering the horrifying truth of the plague that nearly wiped out the human race. This multi-layered story delivers a new brand of horror to Crossed fans at the hands of the scribe that redefined the comics medium. This masterwork is a self-contained whole new world; no prior knowledge of the Crossed series is needed. All the covers for the series have been planned out by Alan Moore, with the images enriching and expanding on the series. Clues and glimpses of what came before, and what might be, are found throughout the variant covers.

American History X Wraparound: Each of these will depict a specific time in the past hundred years, showing how things have changed and offering a peek at some key events. Each cover will display the year in which it takes place to help build the full picture.

Crossed Culture: These are all images of how the Crossed have changed the way they live. With few humans left to hunt, and the animal kingdom thriving with predators, even the thrill-driven Crossed have had to make adjustments to their lifestyle.

Future Tense: Each cover is a homage to a famous work of science fiction, and each of those original works ties into themes of this series.

New World Order Wraparound: These are not for the faint of heart or delicate of constitution. We can't even picture them in this catalog, they are visions of what an ideal all-Crossed world would be. If the madmen have their dreams come true, what would the everyday life look like? These covers are brutally intense images of true horror and may have scenes of torture, depravity, and nudity. These are clearly for adults only. Each copy of this edition will ship in a sealed polybag with a protective slip cover over the

actual image to assure it can be racked in stores. The graphic pictured here is the slip cover only. Due to all these special protective measures this edition is strictly limited to initial orders.

Also available with Retailer Incentive covers of Red Crossed and Design Sketch, showing the original works of series artist Gabriel Andrade. Don't miss out on the ultra-rare CGC Numbered Edition as well!

BOOM! STUDIOS

CLUSTER #1

(W) Ed Brisson (A) Damian Couceiro

(CA) James Stokoe (Main), Simon Roy (1%)

WHY WE LOVE IT: Ed Brisson (*Sheltered*) is one of comics' best new voices and we could not wait to work with him on an original series following his run on *Sons of Anarchy*. After hearing his pitch for a gritty, violent, sci-fi epic in the vein of *The Dirty Dozen*, we knew there was no one better to bring the criminal cast of characters to life than the other half of the *Sons of Anarchy* team and Ed's *Murder Book* collaborator, Damian Couceiro.

WHY YOU'LL LOVE IT: *Cluster* is a series for fans of oldschool, hardboiled action. Brisson and Couceiro know how to tell stories about rich characters with criminal backgrounds, and the offworld setting allows them to tell personal stories with a massive scope. Have you ever wondered what a book starring all those lowlifes in the gutters of sci-fi havens like *Mos Eisley* would look like? Then we have the book for you.

WHAT IT'S ABOUT: In the distant future, as mankind discovers life on other planets, it needs soldiers to defend its colonies and outposts across the stars. In order to increase the number of boots on the ground, criminals are offered the opportunity to serve in the place of incarceration. But as wars wage on and more soldiers are needed, smalltime crimes are given longterm punishments. When a group of prisoners serving their time as soldiers become stranded and abandoned on a war-torn planet, they'll need to work together to survive and uncover the truth behind Earth's role in deep space.

THE RETURNING TP

(W) Jason Starr (A) Andrea Mutti (CA) Frazer Irving

WHY WE LOVE IT: We can't get enough innovative mashups of some of our favorite genres:

Fantasy, Horror, and Mystery. Plus, we're fascinated with the science of NearDeath Experiences (NDE)!

WHY YOU WILL LOVE IT: Awardwinning novelist Jason Starr (*Wolverine Max*, *The Chill*) and artist Andrea Mutti (*Conan*, *The Girl with the Dragon Tattoo*) deliver a gripping but deeply human drama set in an uncertain world.

WHAT'S IT ABOUT: Near future, and some people who have had NearDeath Experiences have come back "changed." They exhibit extreme behavioral changes, becoming increasingly paranoid and violent, and no one knows why. People who have had NDE's fall immediately under suspicion, and in some cases, are murdered by justiceseeking vigilantes. It is in this world where Beth, a quiet high school student with a bright future, will learn just how quickly friends and family will turn on her when she has the bad luck of surviving the worst night of her life... CURB STOMP #1*(W) Ryan Ferrier (A) Devaki Neogi (CA) Tula Lotay*

WHY WE LOVE IT: Punk rock isn't dead... yet. Turf wars, breaking rules, crushing violence, and Black Flag — these are a few of our favorite things, and we can't wait for Curb Stomp to straightup knock our teeth out (in a good way).

WHY YOU'LL LOVE IT: Writer Ryan Ferrier (D4VE) is a creator on the rise, and newcomer Devaki Neogi's art will hook you with its aggressiveness but keep you coming back with its heart. Curb Stomp is an

unflinching, visceral look at the lengths one woman will go to protect her friends, her family, and her home — perfect for fans of Rat Queens and the seminal '70s cultfavorite film *The Warriors*.

WHAT IT'S ABOUT: Three gangs. Five girls. No way out. Machete Betty leads a small gang of women under the selfappointed task of protecting their home of Old Beach, one of three boroughs surrounding a rich metropolitan city. When Betty takes the life of a rival gang member in an act of selfdefense, she sets off a chain reaction of retaliation, gang warfare, and unlikely allies. It's up to the The Fever — Machete Betty, Derby Girl, Bloody Mary, Daisy Chain, and Violet Volt — to defend their turf at all costs.

With a new cover by creator Thomas Siddell and in softcover for the first time, the release of the first volume is finally available again for old fans and new readers alike!

WHY YOU'LL LOVE IT: We'll let Neil Gaiman tell you all about it: "I was thrilled to hear that my favourite webcomic was going to be collected on paper. I wish that Antimony Carver and her adventures and mysteries and myths, not to mention her school, had been around when I was a boy, to shape and warp and twist my growing mind — but I don't think you could ever grow too old to delight in Gunnerkrigg Court."

WHAT IT'S ABOUT: Antimony Carver is a precocious and preternaturally selfpossessed young girl starting her first year of school at gloomy Gunnerkrigg Court, a very British boarding school that has robots running around alongside bodysnatching demons, forest gods, and the odd mythical creature. The opening volume in the series follows Antimony through her orientation year: the people she meets, the strange things that happen, and the things she causes to happen as she and her new friend, Kat, unravel the mysteries of the Court and deal with the everyday adventures of growing up. MACBETH GN

(W) Gareth Hinds, William Shakespeare (A/CA) Gareth Hinds

Shakespeare's classic story of dark ambition, madness, and murder springs to life in a masterful new graphic novel by Gareth Hinds. Set against the moody backdrop of 11th-century Scotland, Gareth Hinds's captivating, richly illustrated interpretation takes readers into the claustrophobic mind of a man driven mad by ambition. An evil seed takes root in the mind of Macbeth, a general in the king's army, when three witches tell him he will one day be king. At the urging of his wife, he resolves to take the throne by the most direct path: a dagger in the heart of King Duncan. But "blood will have blood," and when others grow suspicious of his sudden rise to power, is Macbeth prepared to commit more murders to keep the crown? Available in Softcover and Hardcover editions. INTELLIGENT SENTIENT? HC

(W/A/CA) Luke Ramsey

Delicate, complex drawings tell of a science-fiction world. *Intelligent Sentient?* feels like an artifact from another time; a lost feature in *OMNI* magazine, the album booklet for a late 1970s Hawkwind record, or perhaps a print version of Koyaanisqatsi. Beautiful, detailed, filigreed drawings fold in on themselves and blossom out at the reader. A loose story is told, one of a society of giant people, strange art, and inexplicable scientific experiments utilizing nonexistent technology. Factories and treehouses teem with life, and the city nestles up against a landscape filled with dinosaurs, apes, and dragonflies living peacefully side by side. *Intelligent Sentient?* is a series of images that tie together in progressing theme, the takeaway is that everything is connected. This book is meant to be read forward and back and returned to and treated like a mystical text. (STK662530) (C: 0-0-1)

STARS OF THE MONTH

DANIEL CLOWES: THE DEATH-RAY HC

Teen outcast Andy is an orphaned nobody with only one friend, the obnoxious but loyal Louie. They roam school halls and city streets, invisible to everyone but bullies and tormentors, until the glorious day when Andy takes his first puff on a cigarette. That night he wakes, heart pounding, soaked in sweat, and finds himself suddenly overcome with the peculiar notion that he can do anything. *The Death-Ray* utilizes the classic staples of the superhero genre and reconfigures them in a story that is anything but morally simplistic. With subtle comedy, deft mastery, and an obvious affection for the bold pop-art exuberance of comic book design, Daniel Clowes delivers a contemporary meditation on the darkness of the human psyche. Bagge presents the life of the birth-control activist, educator, nurse, mother, and protofeminist from her birth in the late 19th-century to her death after the invention of the birth control pill. Balancing humor and respect, Bagge makes Sanger whole and human, showing how her flaws fueled her fiery activism just as much as her compassionate nature did. Bagge creates a fast-paced portrait of a trailblazer whose legacy as the founder of Planned Parenthood is still incredibly relevant, important, and inspiring. (STK620838) (AUG131263)

FANFARE pres. BORDERLINE PRESS**566 FRAMES GN***(W/A/CA) Dennis Wojda*

This breakout Eastern European graphic novel is now brought to you in English. Dennis Wojda, already an established comics creator in Poland, decided to do something ambitious — tell the story of his entire family. He planned it out to 366 panels, one for each day of the year plus a leap day. As his website's popularity grew, it soon attracted the interest of Polish publishers. The problem was that the 366 frames of the story did not fit into any publishers' idea of a graphic novel; not enough pages. They asked Dennis if he could expand on the project, and Dennis was delighted because he had been agonising over which stories of his ancestors' lives he would have to cut or simply omit! With this expanded version he could cover everything he wanted to with due respect and deference. The result is *566 Frames*, a comic book with a real heart. (STK662319)

ZOMBRE: AN UNDEAD ANTHOLOGY GN*(W/A) Various (CA) Tom Box*

Twenty chillingly graphic tales from 26 creators about the dead-who-walk that are guaranteed to make your flesh crawl and keep your lights on at night. But what's so different about another Zombie Anthology? Editor Will Vigar said, "I decided I didn't want lumbering idiots having their brains blown out. I wanted contributors to do something different; something small, something intimate; something thought provoking, satirical or crazy. And we have all of those. And more." From the original diagnosis to a far future victory. From the poignant to the outlandish. All wrapped up in two gorgeous colour covers by Tom Box, this is the zombie apocalypse as seen by the living, the undead, and some who may be either.

Theroux captures in his work those rare, frail, but precious truths, inaccessible to the common run of men that would otherwise have vanished into nescience.

SWEATSHOP GN

by Peter Bagge, with Stephen DeStefano, Bill Wray, Stephanie Gladden, Jim Blanchard, and Johnny Ryan
\$19.99 / SC / 152 pgs / FC / 6.75 x 10.25

Peter Bagge's Sweatshop ingeniously incorporates the visual styles of cartoonist guest stars like Stephen DeStefano (Popeye) and Johnny Ryan (Prison Pit). Mel Bowling is the unhappy creator of a very bad daily comic strip. He spends most of his time listening to Rush Limbaugh and coming up with catchphrases to merchandise, while his "sweatshop" of studio assistants grind out all the hard work. Originally published by DC Comics in 2003, this is one of Bagge's best and most undervalued works.

Roy Crane mixes imagination, romance, and thrills in a masterful style that entices you always to the next thrill-packed adventure!

DISPLACEMENT GN

by Lucy Knisley
\$19.99 / SC / 168 pgs / FC / 5.5 x 7.5

New York Times best-selling cartoonist Lucy Knisley paints a stark portrait of contemporary, twenty-something womanhood. In this next installment of her graphic memoir series, Knisley accompanies her ailing grandparents on a cruise. Part memoir, part travelogue and part family history, Knisley tries to connect with her grandparents and also, by using her grandfather's WWII memoir, reconcile their younger and older selves. Readers will identify with Knisley's frustration and her attempts to come to terms with mortality, as she copes with the stress of travel complicated by her grandparents' frailty.

SAINT COLE GN

by Noah Van Sciver
\$19.99 / SC / 116 pgs / BW / 7 x 9

Saint Cole depicts four days in the life of 28-year-old Joe who feels trapped working overtime at a pizza restaurant to support his girlfriend, Nicole, and their infant child. When Nicole invites her troubled mother to move in, Joe retreats further into alcohol. Joe wants out. He's angry. He's in a position to act rashly. And he does. This new graphic novel from Noah Van Sciver may seem like a left turn from his critically acclaimed debut graphic novel biography of Abraham Lincoln (The Hypo), yet upon closer reflection, it continues Van Sciver's interest in pathos and the human condition.

THE SCULPTOR HC

(W/A/CA) Scott McCloud

David Smith is giving his life for his art — literally. Thanks to a deal with Death, the young sculptor gets his childhood wish: to sculpt anything he can imagine with his bare hands. But now that he only has 200 days to live, deciding what to create is harder than he thought, and discovering the love of his life at the eleventh hour isn't making it any easier. This is a story of desire taken to the edge of reason and beyond; of the frantic, clumsy dance steps of young love; and a gorgeous portrait of the world's greatest city. It's also about the small, warm, human moment of everyday life. Scott McCloud wrote the book on how comics work, now he vaults into great fiction with a breathtaking new work. (STK660937)

The Art of Big O is a beautifully illustrated hardcover book telling the story of the Big 'O' publishing company that first burst onto the swinging London art and music scene of the wild and wonderful psychedelic '60s, through the 1970s and up to 1980. This poster, calendar, art card and book publishing company produced some of the most amazing and influential fantasy and fantastic poster and album cover art of all time during the 20th century's golden age of Poster Art. These are the artists you have grown to admire and love over the years — Academy Award-winning artist and designer of *Alien*, HR Giger; Roger Dean, perhaps the most recognized album cover artist and creative illustrator over the past 50 years; J.R.R. Tolkien and Michael Moorcock fantasy art great Rodney Mathews; David Bowie album cover artist Terry Pastor; fantasy children's book illustrator Wayne Anderson... these are but a few of the uniquely talented artists whose personal stories you'll find in this book; artists who contributed to some of the most fantastic poster and album cover art of the late 20th century. ROBOCOP: ED-209 REPLICA STATUE

If you've seen the 1987 version of *RoboCop* starring Peter Weller, you likely remember ED-209. A prototype urban-assault combat warrior produced by OCP (Omni Consumer Products), ED-209 first appears in the mega-corporation's boardroom, where a malfunction causes it to unfortunately and violently kill a board member. It's this seminal event that shifts OCP's strategy to produce an experimental cyborg design — RoboCop. Chronicle Collectibles is proud to bring you the *RoboCop: ED-209 Replica*, signed by Phil Tippett and molded by Tippett Studio from original masters and an actual puppet used on-screen in the film. This statue stands 14 1/2" tall with base. (STK661799) Scheduled to ship in February 2015. (4522/CLSED209) (C: 1-1-2) **NOTE:** Available only within the United States and U.S. Territories.

MARVEL COMICS IRON MAN AVENGERS MARVEL NOW! RED COLOR VARIANT ARTFX+ STATUE

A KOTOBUKIYA Japanese import! Marvel Comics is the next great property to get Kotobukiya's ARTFX+ statue treatment, and so of course the first series is none other than the Avengers, specifically the characters as they appear in *Marvel Now!* In 2012 the comic book company relaunched several titles, shifting some characters into different books and updating some for a modern audience. More than anything, it provided a perfect jumping on point for new readers. Now the characters are brought to life

as never before based on concept artwork by superstar artist Adi Granov. Arriving alongside the final Avenger is the first alternate version in the lineup, the IRON MAN RED COLOR VARIANT!

Created in 1963 by a group of comic book luminaries (including Stan Lee and Jack Kirby), Tony Stark was a rich playboy whose capture during the Cold War led him to create a technologically advanced powered armor suit bristling with weapons and science-fiction gadgets. Best known for fighting enemies such as Mandarin and Crimson Dynamo, Stark would over the years combat his own personal demons as well, making him a very nuanced and interesting character popular the world over. While he would continue to improve and upgrade his armors, the brilliant industrialist/hero would also help found the premiere Marvel superhero group the Avengers and fight with them all the way into the current Marvel Now! Universe. With a fresh start Tony appeared there with a brand new suit of Iron Man armor featuring a sleek design, but where the standard version is bold in black and gold, this variant edition takes its color scheme from the classic armors in bright red and gold! The Iron Avenger stands at the ready, turned to his side as he raises his right hand to aim a repulsor at the enemy. Iron Man's armor is intricately detailed with layers, panels, vents, and other technological components like secondary repulsors, and the metallic paint really makes it shine.

Sculpted by the same master artist who did the rest of this Avengers series, Junnosuke Abe (RESTORE), Iron Man stands just under 8 ½ inches tall (in the ARTFX+ 1/10th scale) on his included magnetic display base. Add Iron Man to your collection and complete the full lineup of ARTFX+ Marvel Now Avengers!

BLACK BUTLER: BOOK OF CIRCUS—CIEL PHANTOMHIVE ARTFXJ STATUE

A KOTOBUKIYA Japanese import! The next new addition to the ARTFXJ lineup (a bold expansion designed “to bring classic Japanese characters to their fans worldwide”) is another massively popular anime and manga property, Black Butler and its most recent season “Book of Circus.” Based on the manga series by the same name by Yana Toboso, the animated series follows a rich young orphan and his butler who is really a demon in disguise serving his master before he can reap his soul. The new Kotobukiya ARTFXJ series captures the two main characters of the anime starting with the boy who has sold his soul for revenge on those who wronged him and his family, CIEL PHANTOMHIVE! The young earl and Queen's Watchdog is dressed impeccably in a gray and blue riding outfit as he reclines on a unique black chess knight statue base. Ciel leans forward to examine his enemies with his one good eye, the other covered by a patch to hide the pentagram revealing his demonic pact. The young master Phantomhive's clothing is a testament to the incredible talents of sculptor Tsukuru Hirahige with an outstanding attention to detail including bows, ruffles, creases, buttons, and so much more. There are even more great subtle elements to this presentation like Ciel's ring and the items he holds: a chess piece and skull-topped cane. Ciel Phantomhive is just over 7 inches tall (1/8 scale) sitting on his horse statue base and is the perfect companion to his fellow Black Butler ARTFXJ presentation Sebastian Michaelis. Available in MAY.

BLACK BUTLER: BOOK OF CIRCUS—SEBASTIAN MICHAELIS ARTFXJ STATUE

A KOTOBUKIYA Japanese import! The next new addition to the ARTFXJ lineup (a bold new expansion designed “to bring classic Japanese characters to their fans worldwide”) is another massively popular anime and manga property, Black Butler and its most recent season “Book of Circus.” Based on the manga series by the same name by Yana Toboso, the animated series follows a rich young orphan and his butler who is really a demon in disguise serving his master before he can reap his soul. The new Kotobukiya ARTFXJ series captures the two main characters of the anime featuring the titular servant in disguise, SEBASTIAN MICHAELIS! Wearing his iconic butler outfit with sharp trousers, tailcoat, and tie in black, gray vest, and white shirt and gloves, Sebastian steps forward provocatively with a slim finger raised to his lips to indicate silence. The demon carries a tray of white roses which match those on his unique display base, a chessboard surface beneath the butler and a series of empty black picture frames hovering behind him. Elegant and poised, Michaelis looks sideways at you conspiratorially with his red eyes, sharing the secret of his service to his young master. The Black Butler stands just under 10 inches tall (1/8 scale) on his special display base. And while he looks striking in his predominantly black and

white presentation Sebastian Michaelis looks even better alongside his similarly chess-themed companion Ciel Phantomhive! Available in JUNE.

TEKKEN ANNA WILLIAMS BISHOUJO STATUE

A KOTOBUKIYA Japanese import! The hit line of Tekken Bishoujo Statues continues! With its thrilling martial arts action, the Tekken series of video games from Namco has been a huge hit with players since the original arcade game in 1994. In the games, fighters compete in the King of Iron Fist tournament for control of the Mishima Zaibatsu Corporation, using their unique talents against their opponents. Following hot on the heels of her older sister is the sibling who couldn't be more different, ANNA WILLIAMS! The younger, more evil Williams sister has appeared in nearly all of the Tekken games since the very first one and now joins the elder Nina as well as the other great fighters in Kotobukiya's Bishoujo series based on an all new illustration by Shunya Yamashita.

The alluring Anna stands ready to take on any challenger in a powerful and dynamic pose. The beautiful lady in red wears a stunning crimson dress slit to her hip with a bow at the back; the fighter stands in a strong breeze as the dress flows and billows around her, revealing a bright yellow reverse side. Anna is captured in a unique stance, a slight crouch with her upper legs together and lower legs scissored forward and back while she twists to the side at her waist to beckon you closer. The voluptuous hapkido expert accessorizes her dress with matching red heels and unattached sleeves plus sexy thigh high black stockings. Incredible detail has gone into every inch of this presentation, capturing all of the subtle clothing elements and movement down to the sweep of her short hair framing her beautiful Bishoujo styled face!

Anna Williams stands nearly 7 ½ inches tall (1/7 scale) on her included display base. A vision in red, this Williams sister will be an eye-catcher on your shelf by herself and even better when paired with (or against) other Tekken Bishoujo statues like her sibling and rival Nina Williams!
