

Re-accreditation in three years, demonstrating improvement in student learning

Action on development points from the report

Accreditation
The learning provider displays a certificate and the logo on their letterhead, and their name is added to the website, together with celebration of good practice.

Complete **audit** against CWW Framework and **self assessment** against the new Estyn framework with support from Careers Wales. Commitment Statement signed by appropriate senior staff and co-ordinator

Create **Action Plan** or **Development Plan** for CWW

Agree with the consultant what **evidence** you will produce.

Agree period to **implement** the plan

Review the action plan/ development plan and self assessment; measure progress and impact, producing the evidence agreed.
The consultant checks that the process of continuous improvement is in place. There must be the commitment to improve student learning.
a report is then agreed identifying improvement that has been made and areas for future development.

continuous quality improvement
