- All times are subject to change on the event day

# On the Day – Good to know!

Whether you're 0 or 100 there is something for you at Chill on the Hill. We've kept ticket prices as low as possible to so everyone can join the fun!

**The event will commence at 11am with workshops, performances and something to keep the children entertained.**

Our main Farm Yard Circus performance and Chill on the Hill Poetry sharing by "The Professor" will commence at 2pm!

As a not-for-profit charity, every contribution helps us bring more events like Chill on the Hill to life. Your support keeps the creativity flowing and the good vibes going.

## 1) EVENT ENTRY

We encourage a donation of at least **'a pound a person'** for everyone who comes to Chill on the Hill. If you're able to donate more, then we won't refuse!

You can **donate online now and choose your amount.**

This donation will enable you to enjoy the circus and theatre performances from **Farm Yard Circus, Tor Theatre, music from Sounds of the Streets, and much more.** If you bring your own picnic, you can enjoy the day with nothing more to pay.

## 2) DROP IN ARTS & NATURE ACTIVITIES

Throughout the day, there will be opportunities to take part in 'drop in' activities. These will be available on a first-come-first-served basis, and we know that the artists running them would appreciate a small donation for bringing a smile to your face or keeping your children or parents occupied for a few minutes!

Please bring cash and/or a card on the day as there will plenty of opportunities to donate cash in the buckets or via card and online at our **Donation Stations.**

## 3) CHILDREN'S WORKSHOPS, ARTISTS & LOCAL FOOD

As mentioned above and in previous years, we will be running a morning workshops programme. These will have limited places and often sell out before the event, so we encourage you to pay for them in advance. All the information and how to book is on the Take Art website. **These workshops are under cover and will take place come rain or shine!**

A key element of Chill on the Hill is to promote and support local food producers. We're delighted to welcome even more to the event this year, including **Bagnell Farm, Laura's Kitchen, Utazo Spirits** and **The Firehouse Pizza Rocket** to name a few... New to this year we will be introducing local artists and writers to the event, including **Polly Gillow** and **Ben Pulletz**, giving you the opportunity to think ahead on Christmas and Birthday presents!

**We can't wait to welcome you to Chill on the Hill 2025!**
