

# Customer Insight Series

UNIT4's Insight Series is a programme of short webinars to help customers:

- gain additional value from solutions already implemented,
- approach tasks and processes from a new angle to achieve greater efficiencies,
- make use of the latest facilities and support available from UNIT4.

To request a recording of any of the following Insight webinars, please email [insight.uk@unit4.com](mailto:insight.uk@unit4.com) with your topic of interest

## About UNIT4

UNIT4 is a global business software company that creates, delivers and supports adaptable software and services worldwide, to help fast-changing organisations manage their business needs effectively. We strive to set the global standard for business solutions that help dynamic organisations to embrace change – simply, quickly and cost effectively.

We have a broad portfolio of solutions that address different markets, requirements, technologies and types of organisation; the UNIT4 group incorporates a number of the world's leading change-embracing software brands, including the Agresso Business World ERP suite and Coda financial management software. UNIT4 has operations in 17 European countries and 7 countries across North America, Asia Pacific and Africa (as well as sales activities in several other countries) for easy, local access to service and support.
