

We have partnered with **Timothy Won Kong Loi** from **WKL Consultancy** regarding our recruitment activities for *We4Sea*. Timothy is a preferred partner and all recruitment related requests need to be processed by him or some one in his team.

### **VACANCIES**

We4Sea is interested in speaking with Front End Developers (Angular/Polymer experience), with Back End Developers (Python) and with Full Stack Developers (React/Angular and Python)

If you wish to apply to We4Sea regarding any of our live positions please send your CV to **Timothy@WKLConsultancy.nl** for review.

Please note due to high numbers of applications, if you have not heard from us within 1 week then consider your application unsuccessful regarding live and current vacancies. However, your details will be stored on our database for future roles.
