

## DIGITAL HEALTHCARE OPPORTUNITIES IN CHINA

*Are you a Sheffield City Region based business working in digital healthcare innovation?*

Join us on Friday 30<sup>th</sup> September from 8.30am – 11.00am  
At AMP Technology Centre, Rotherham, S60 5WG

- **Launch of the Sheffield City Region-Xi'an District Digital Healthcare Chinese Prosperity Fund (CPF) project**
- **Hear about opportunities to do business in China providing digital healthcare innovations to the Xi'an district (Shaanxi Province).**

According to the outline of Xi'an's thirteenth five year plan, digital healthcare will be a priority policy for the city over the next few years in order to increase access to healthcare for the population in rural areas; to improve efficiency in healthcare delivery; and enhance the patient experience through integrated care. Xi'an is investing significantly in new-build hospitals in the next 5 years, creating commercial opportunities for technology partners from Sheffield City Region with the expertise to support the design and construction of advanced digital health infrastructure.
