Rob Moriarty, WSI Polaris Digital @robmoriarty @wsipolaris
A personal perspective on how technology can facilitate independent living and management of long term conditions
- 11.05 – 11.15 **Pitch & Pledge**
Quick fire pitches from teams involved in digital health and wellbeing innovation or services.
- 11:15 – 11:45 **Refreshments, Networking and Innovator Showcase**

11:45 – 12:45

Interactive Breakout Session

Delegates will have the opportunity to attend 1 of the 3 breakout sessions.

1. The Reality of Connected Care – “Housing Good Health”

Sarah Roxby – Service Director Wellbeing, Wakefield District Housing

Sharing learning and explore new opportunities with the team who are leading change across housing provider services and their aspirations to transform care.

2. Exploring Quality Standards to support future Technology

Alyson Scurfield, Chief Executive, & Paul Finch, Business Relationship Manager, TSA

@AlysonScurfield @TSAVoice

Updating attendees on the latest developments with TSA’s new TECS quality standards framework, highlighting the current progress that has been made and the next steps.

3. Prototyping citizen involvement in digital health

*Alicia Ridout, mHabitat & Roz Davies, Recovery Enterprises **@AliciaRidout @roz_davies***

Participatory workshop that provides an opportunity to think through the opportunities and challenges for citizen participation in digital health and design an ideal model and key principles. The workshop is part of the #YHDigitalCitizen initiative.

12:45 – 13:50

Lunch, Networking and Innovator Showcase

13:50 – 14:00

European Communities approach to Connected Care

*Damian O’Connor, ECHAlliance **@ECHAlliance***

Sharing learning from across the Ecosystem networks where health is a community priority rather than just a provider challenge.

14:00 – 14:10

Creative Commissioning for a Sustainable Health and Care System

Andrew Carlin, Commercial Director, Inprova Group

The quality and creativity of commissioning by the NHS and Adult Social Care is highly variable. Much of the commissioning activity is focused on cost and conservative in its approach to service re-design and innovation. **Let’s be creative and re-imagine the future.**

14.10 – 14.35

Interactive Audience Discussion - A discussion on innovative procurement and the implications for digital health and Technology Enabled Care.

Chaired by:

Alyson Scurfield & Paul Finch, Business Relationship Manager, TSA

@AlysonScurfield @TSAVoice

14.35 – 14.45

Building the Ecosystem

*Philippa Hedley-Takhar, Yorkshire & Humber AHSN, **@piphedley @AHSN_YandH***

14:45 – 16.00

Networking

Opportunity for Yorkshire & Humber Ecosystem members to meet with and review support from Yorkshire & Humber AHSN team to progress digital health projects & collaborations. To enquire about appointment slots email p.hedley-takhar@yhahsn.com
