

William Penn Newsletter 24th January 2020

Friends Club Reminders

We are really pleased that so many of you are making good use of the Friends' Club. In order to keep the club running smoothly, please can we remind you of the following points:

- Whilst, in most circumstances, we are able to accommodate ad hoc bookings, these are not guaranteed at short notice. You will understand that we have to pre-organised staffing and there may be times when this can not be changed at short notice.
- Payments should be made on receipt of the invoice or in ad hoc situations on collection from the session.
- In case of late pick up, the next session will be charged at the full rate. For late collection after 6pm there is a £15 additional charge which is non-negotiable. Attendance at further sessions is dependent on payment having been made.

Governors' Survey – School Vision

Our Quaker values are at the heart of all we do and the governing body is currently working on the strategic plan for our school. This plan will guide how the school operates and develops over the next 3-5 years. To ensure this plan reflects the views of everyone involved with the school, we are seeking an input from our pupils, parents and staff.

Governors have been on the playground this week to talk to parents and hand out surveys – thank you to everyone who has completed one so far. If you have not already filled out a survey and would like the governing body to consider your views when putting together the strategic plan for the school, please click on the below link. There are only 4 questions and the survey shouldn't take more than 5 minutes to complete.

[William Penn School Vision Survey](#)

The survey will close on Friday 31st January. Thank you for your input.

Safeguarding Update

It is very important that the school office is informed if any child is to be picked up by someone unfamiliar to the school – either at the end of the school day or from the Friends' Club. Our standard procedure is to telephone parents before we release the child if we have not had prior confirmation and this can lead to some embarrassment or frustration as well as delay.

Pupil Achievements

Congratulations to William Jacobs who was awarded a trophy as 'Gymnast of the week' at the Bluecoat Gymnastics Club. Well done William

If you have any pupil achievements that you would like mentioned in the newsletter, please e-mail the office: office@williampenn.co.uk
