

## William Penn Newsletter May 22<sup>nd</sup> 2020

### Update on Partial Reopening (at the earliest) on June 1<sup>st</sup>

We have heard from most of the parents of pupils in Year 1, Year R and Year 6 with regard to whether they intend for their children to return to William Penn on June 1<sup>st</sup> (or subsequently if the date is changed between then and now). This information has really helped us to get the planning process under way. Whilst we had hoped to give you more details about what the provision will look like this week, it is already apparent that it will be next week before this is possible. As you might imagine, there is a huge amount of work involved in organising the reopening; risk assessments to write and subsequent governor approval, liaison with the local authority, locality group of schools and interpretation of the DfE guidance in our specific context. The teachers have been putting in long hours planning and setting work on the website, undertaking training, supervising key worker children at Billingshurst Primary School and planning for the readmission of pupils to the William Penn School site. Please be assured that it is our intention to get all this done as soon as is possible and then published without delay. Thank you for your patience.

### Pupil Reports

Pupil reports were published at the beginning of the week. Thank you to those that promptly returned the receipt slip. If you haven't already done so, please return these by Monday 25<sup>th</sup> May. A comment is not necessary but we do need to know that you are in possession of the report.

### Home Learning - Uploading Children's Work Reminder

Children's Home Learning is available on the William Penn website using the link below:

<http://www.williampenn.co.uk/website-online-learning-resources>

To celebrate the amazing home learning that is taking place, we would like children to submit a maximum of 2 pieces of work each week, that are to be displayed in their year groups folder in the Online Learning section of the William Penn website. Every week, a new Children's Work folder will be created so that more work can be added without it becoming unwieldy. This will not only motivate the children to produce high quality work, but also inspire them, as they will be able to enjoy looking at each other's creations.

<http://www.williampenn.co.uk/website/online-learning-resources/458500>

If work has been completed in an exercise book or on paper, a photograph can be taken on a mobile phone and then sent to the office by email. If a video or PowerPoint has been made by the child, this can also be attached to an email and sent to the office. The office email is [office@williampenn.co.uk](mailto:office@williampenn.co.uk)

**To ensure that the child's work is forwarded to the correct teacher**, please include the class name followed by the child's name in the subject bar of the email.  
Thank you for your continuing support.

The work featured this week was done by Sam M in Year 1 and Matilda M in Year 5. Keep sending in your good work - thank you.

### Safeguarding Update

The staff all met on ZOOM this week to update their annual safeguarding training.

### Pupil Achievements

Congratulations to Jeremy and Oliver who both received prizes after entering a colouring competition at Lotus. They both received T-shirts in the post this week and were so very happy.

If you have any pupil achievements that you would like mentioned in the newsletter, please e-mail the office:  
[office@williampenn.co.uk](mailto:office@williampenn.co.uk)
