Easter A-Z Challenge

The children have brought home an Easter Challenge this week. We hope that it will prove to be a fun focus for walking during the break. There is a small charge for entering, which will go to the fund for the outdoor track on the field.

Parents' Consultations Feedback

Thank you for the positive feedback that we have received regarding the consultations this week. We are glad that we were able to see most of your as well as talking to you this term. Thank you also for your patience in overcoming any technical issues with us. There are a few outstanding which we will work on in preparation for next time.

Safeguarding/Health and Safety/Wellbeing Update

There has been an improvement this week out on the road at drop off and pick up times. There are still a few people undertaking three point turns and this can lead to difficulties. Thank you for your support and for working together to improve safety for pupils and adults alike.
