

William Penn Newsletter December 17th 2020

Best Wishes and Thanks from Everyone at William Penn

As this is the last newsletter of the term, and indeed this year, please accept our best wishes for the holiday period. We hope that you all find time to relax and enjoy the company of your families in the safest of circumstances.

Your children are tired, as are their teachers and teaching assistants, who have worked above and beyond the call of duty without question, and no doubt you are too.

However, we have all pulled together and managed to achieve things that we had previous not considered, yet alone considered possible! What has certainly shown thorough is resilience and flexibility in the face of the unknown. Our core Quaker Values; Integrity, Peace, Simplicity, Equality, Friendship and Reflection, have continued to provide stability, familiarity and guidance, for which we are grateful.

Thank you all once again for your tremendous support this year. We look forward to seeing you again when term begins on Monday 4th January 2021.

Contacting/Emailing the School

The primary point of contact remains the school email address: office@williampenn.co.uk

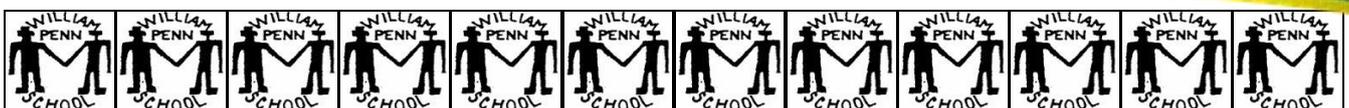

Please be reminded that, when emailing the class teachers, it is important to copy in the school office on office@williampenn.co.uk

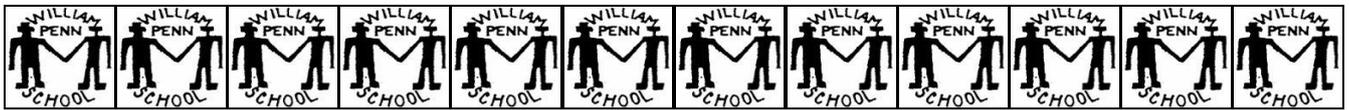

Whilst this is **always** the routine, this is particularly important when the school is closed as it is this email address that is primarily monitored.
