# New For Autumn

The Home of Great British Brands

Autumn is the season of mellow fruitfulness and once again, we have the pick of the crop of tableware, gifts, figurines and collectables to entice you in our latest catalogue. Singing his heart out on the front cover is Britain's favourite bird, the Robin Redbreast, depicted in all his glory by Royal Crown Derby in their fine bone china range (page 9). You will also find a selection of charming British birds like the Blue Tit and Jenny Wren – just the thing for your mantelpiece this season.

Our Evesham Vale range from Royal Worcester is the very thing for an autumnal feast, with its exquisitely reproduced fruit patterns and prices starting at just £9.99. Rustle through the leaves of our catalogue and you'll find all the famous brands and designs that our customers have come to expect from us. Like Portmeirion Botanic Garden (page 12), the Blue Italian range from Spode (page 15) and the Woodland Collection (page 36) with its glorious gamebirds.

Whether you are a seasoned collector or buying your very first piece, you will be thrilled with some beautiful new ranges. Wildlife enthusiasts are sure to enjoy the fantastic Royal Crown Derby collection with delightfully detailed miniatures of swallows, hedgehogs, cats and dogs. Not to be outdone, our new selection from John Beswicks 'Adorables', with prices from just £20, is sure to tempt you (page 41).

## ROYAL ANTOINETTE

Epitomising the very best English traditions, the beautiful Royal Antoinette pattern has graced green and gardens for many years. Originally inspired by a pattern first created in the late 1800's, the intricately detailed floral designs, incorporating 22 carat gold, are as popular today as they were two centuries ago.

# Britain's National Bird

## *Bone China Paperweights*

The red-breasted Robin has been crowned Britain's National Bird in a campaign organised by ornithologist David Lindo (also known as the "Urban Birder"). Over 200,000 people voted, with the winner announced live on BBC Springwatch in June. The red-breasted Robin won with a 34% majority. To celebrate this achievement we have put together a selection of three beautifully crafted Robin paperweights from Royal Crown Derby. You'll see several other birds from the finalists, below and on the following pages - Barn Owl, Blue Tit, Puffin and the charming Jenny Wren.
