## Claire Sanga

TPA Global Member

### Professional Background

- Claire is the founding partner of TPS.
- She has more than 15 years' experience in providing professional transfer pricing services to clients in both Spain and the UK.
- Previous experiences include the Big 4, where she worked as a transfer pricing senior manager on global projects. She has worked in Birmingham, London and Madrid (current location). Claire has been a professor at a Spanish business school (Instituto de Empresa) in Madrid, as well as for the Andorra University.
- Claire has a degree in mathematics from the University of Birmingham.

### Proven Track Record

- Successfully managed TPS since 2010.
- Design and implementation of the internal procedures and processes involved in global documentation projects for a Big 4, including leading a team of over 70 professionals on an international basis.
- Creation of effective transfer pricing documentation that has mitigated penalties for Spanish taxpayers.

### Capabilities

- Claire has worked in a wide variety of industries, including automotive, insurance, financial services, entertainment, information technology, food, pharma, publishing, toys and games etc. Her technical skills include pricing and valuation of intangibles and financial transactions, design of tax effective transfer pricing policies, defense of transfer pricing.
- Project leader on global transfer pricing projects.
