## Andrey Tereschenko

Partner

### Professional Background

- Andrey Tereschenko is based in Taxand Russia where he is a partner with Pepeliaev Group.
- He focuses on tax law and has a high level of expertise in providing advice to major Russian and foreign companies on a wide range of tax issues.

### Proven Track Record

- Andrey has participated in consulting activities related to taxation, tax planning, tax audit and due diligence projects, litigation experience involving judicial protection of legal entities in courts of arbitration and other state authorities.
- He participated in a number of projects for FMCG companies regarding analysis of the tax consequences of marketing surveys and advertising campaigns involving gratuitous distribution of goods to potential consumers.
- Prepared internal transfer pricing regulations for a major Russian oil and gas company. Among other things, this involved drafting regulations which would see the company's departments working together when collecting information on related parties and controlled transactions.

### Capabilities

- Andrey is also engaged in projects with a number of overseas consultants.
- He is recognised by authoritative international legal guidebooks The Legal 500, EMEA, Tax Directors Handbook as a highly recommended expert in tax law.
