WHAT'S NEW?

So, what have you been doing lately? Do you have anything interesting planned? Maybe you think that it won't be of any interest to anyone outside of your club, but how will you know unless you say something about it? **Try it!**

The team that I head is always eager to hear about your events and your projects, and publishing the information here is a good way to garner support for them.

JOGLE FOR SHELTER

I am now one month into my year as National President and it has been pretty busy. I have actually been to 5 conference style weekends already – in Birmingham, Germany, Calpe in Spain, Cardiff for RT/LC and Sweden. Add to that a number of club visits and doing a few days' work here and there and it is busy, busy, busy! My Hyundai car is racking up the miles.

Today, with the issue of this newsletter, I am formally launching my appeal to raise funds for "Shelter", my chosen charity. Shelter (www.shelter.org.uk) helps millions of people every year struggling with bad housing or homelessness through advice, support and legal services. We also cover "Simon" in Ireland. I have decided to highlight this charity by cycling from John O'Groats to Land's End (JOGLE for short). My good friend Colin Bowater is doing it with me. We are spending all our spare time at the moment training like mad. We go out three times a week and cycle up to 60 miles. It is quite a daunting challenge of 879 miles, with lots of hills along the way. We hope that many 41 Club and Tangent members and others will want to support this great cause.

I am asking all 41 Club members to donate the equivalent of their National subscription – that is £14.50 – the price of a

cheap bottle of wine in a restaurant. Just imagine what an impact we could make if we did this. Already one club has donated £250, but here I am looking for individual members to dig deep to help "those less fortunate".

All you have to do to donate your £14.50 is click the link right here:

<https://www.justgiving.com/fundraising/Paul-Blewitt>

Please, please support us and show what 41 Club can do when we get together.

Proudly supporting

Shelter

As we go down the country we are looking to be home-hosted and to meet up with club members each evening for some fellowship. Some evenings we already have arrangements which you could join, but others we still need accommodation and fellowship. If you would like to meet us, the stop-overs are shown below, so please email or phone me.

If you are feeling fit, you could even cycle with us for an hour or two, or a full day!!

Finally, we need 10 kind sponsors each to donate £70 sponsorship to cover our petrol expenses. Everything else is covered as long as we can be home-hosted. We can send you an invoice or give you a receipt. This way, every penny we raise will go direct to the charity. We can ensure those sponsors get mentioned in our emails, publicity and on the side of our support vehicle, which has been donated by Guest Truck and Van – our main sponsor so far.

We very much look forward to seeing you along the route!

Thank you for your support.

41 CLUB MOROCCO

On May 17th 2016, 41 Club Morocco bade farewell to their friend, Jacques Cachal, who was buried in the European Cemetery of Marrakesh.

Jacques was Round Table Morocco National President 1982-83.

May he rest in peace.

CLASSIC CAR RALLY

We've been delighted so far with the number of entries. This will prove to be another successful event!

The Yeovil Court Hotel is now almost fully booked. However the good news is, we also have [The Hollies Hotel](#) on stream in the village of Bower Hinton, which is just a couple of miles away through the lanes from West Coker. The Hollies has double rooms available at a special rate to Rally entrants of £110 a night including Breakfast. Evening meals, for both Friday and Saturday night, will be at the Yeovil Court together with the other Rally entrants and can be booked separately on the Rally Booking Form.

The Hollies Hotel also has safe parking for our cars behind the hotel and the car park is not visible from the road. The Hollies can be contacted by calling **01935 822232** and asking for Kath Garry. Please be sure to mention the 41 Club Classic Car Rally on booking to get the Rally discount.

If you have any questions about the Rally or the hotel accommodation available, as we do have other alternatives, please call me on **07891 761599** or Lin on **01275 341464**. Alternatively, you can e-mail Lin on lin@cooperbradbury.co.uk for an Entry Form or you can also

[download one](#) from the 41 Club website. Remember the Rally is for all types of classic and cherished cars and motor cycles, including modern classics.

The Haynes Motor Museum trip on the Saturday is going to be excellent as we get to park our cars in front of the museum whilst we have lunch and then take the guided tour.

On the Sunday morning we will be visiting the East Somerset Railway which is in steam that day. The Railway has a Coffee Shop and Gift Shop and although we will only be stopping there for coffee, Rally Entrants are welcome to take a Steam Train ride and then catch up with us later at the lunch venue.

The South West Classic Car Rally Team are looking forward to welcoming you to Yeovil in August. We're looking forward to receiving more entries so blow up the tyres and top up the oil on your jalopy and come and join us in sunny Somerset, they're bottling the cider as I write this ready to welcome you.

HANAU 74 OLD TABLERS GERMANY TAKING OVER THE WORLD!

The line-up here is, from left to right, Engelbert Friedsam, Peter Weiss and Robert Lerch.

As we know, Engelbert is President of 41 International.

In June this year, Peter will be installed as National President of "Old Tablers Deutschland" (OTD), Germany's 41 Club.

Since March, Robert Lerch has been both President of Hanau 74 OTD and President of Germany's "Distrikt" 7 (similar to our Round Table Areas).

This has to be a first. Three men, all Presidents spanning all four levels: Club, Distrikt, National and International, all from the same Club, Hanau 74 OTD!

We may never see this again!

OSWESTRY ROUND TABLE

A new initiative to try and re-establish a Round Table Club for Oswestry and Ellesmere has been announced.

After Geoff Armitage of Gobowen was elected for an exceptional third term as President of Oswestry Past Tablers' 41 Club, he claimed the opportunity was there and members must grab it.

"There are 900 new homes being planned for Salop Road and several other developments in both areas which will attract young families.

"Round Table is for energetic like-minded men under 45 with a separate Ladies' Circle organisation for their wives.

"The Oswestry club only folded six years ago but there is going to be a fresh input of people into Oswestry and Ellesmere, which could support a fresh club.

"The Ellesmere 41 Club managed to last until two years ago and I feel sure, if we joined forces and with a fresh approach, there is scope to see Round Table reborn in this area.

"Current neighbouring Round Tables could sponsor it and we

would back the proposal to the hilt. I would love to see it reform and be revitalised in this area, as it has always been in the past," stressed Geoff.

He was unanimously elected for a third term as Oswestry President with ex banker Eddie Harrison his Vice-President to take over the hot seat in 2017.

Another retired banker, Steve Theobald, was re-elected Club Secretary as well as Sports Officer, former lecturer Dave Thomas was re-elected Club Treasurer and retired journalist David Parry-Jones its Press Officer.

ROUND TABLE DO MORE

TERRY WINDS UP HIS YEAR AS PRESIDENT

As promised I would like to conclude my presidential year with a final report of my travels.

At the very end of March and too late for inclusion in the Newsletter I visited Belfast to present John Carberry with his Association Award. John has been an amazing member of 41 Club in Ireland over the years and no one has deserved the award more. As the ceremony has already been covered by NCLO Phillip Ellis

previously I'll just add that both Lin and I thoroughly enjoyed

our second visit to Belfast during my year as President.

April 1st found me at Mumbles 41 Club for their AGM for an

excellent night of fun and fellowship with great food and wine. Home hosted by John and Jackie Knott Lin was also wined and dined so we both had a memorable visit to South Wales.

Leaving on Tuesday morning with Clevedon Club 41 member and Vice Chairman Wayne Faunt as my driver we set off for Yorkshire to spend two nights with National Councillor for Region 6, Andy Waite, whilst visiting two Clubs in his Region. Thank you for the hospitality Andy two great breakfasts and the visit to your local pub! The first visit on that Tuesday evening was a joint event with Penistone 41 Club, Round Table, Tangent and Ladies Circle. This was to celebrate the wonderful effort all the Clubs had made to rebuild a burnt out house in the town where sadly three members of one family had lost their lives. The house is to be sold to raise money so the one surviving adult family member can make a new start in her local community. This was a very emotional evening but in true Round Table Family tradition it finished in a pub with a few beers and a meal which was well deserved by everyone who had taken part in such a worthwhile project. The following evening found us at Horsforth 41 Club for their AGM and again this was an excellent traditional evening of good food and fellowship.

Thursday morning, we set off to drive across into Lancashire to attend the inaugural meeting of a new 41 Club called Ribble and Lune Active, the third new Club to start in my year. It was a brilliant evening attended by a number of past and present National Officers and National Councillors. A big thank you to former Region 5 National Councillor Duncan Baldwin for getting everyone together and being the catalyst in starting another new "Active" 41 Club, which is made up of graduating Tablers from a number of different Clubs.

Congratulating Frank Barratt, Founder Chairman of "Ribble & Lune Active" 41 Club at their inaugural meeting on April 7th.

On the Friday morning Wayne dropped me off at Liverpool Airport and drove the car back to Clevedon whilst I flew to Dublin for Dublin 41 Club's AGM that evening. Collected from the Airport in a borrowed Rolls Royce by Region 3 National Councillor Stewart Thompson, I had a pint of Guinness in my

hand within 40 minutes of landing and that set the tone for the visit! The AGM was at the Royal Dublin Yacht Club and I was home-hosted by my old friend Past Round Table National President Gerard O'Herlihy along with another old friend from my Table days Harry McNamara, who I inducted into Dublin 41 Club that evening.

I flew back to Bristol on the Saturday and Lin picked me up just giving me Sunday to recover before I set off on the Monday with Mike Witherspoon, from Clevedon 41 Club, as my driver to visit Windsor and Eton 41 Club which was my last "official" visit to a 41 Club before my year as President ended. It was a super evening and a fitting end to what has been for me an amazing year.

Handing over a gift to the Chairman of Windsor and Eton 41 Club, Richard Carleton, on my last "formal" visit as National President.

There was still one more visit to go but that was to my own Club Isis Area 41 Club on the Tuesday evening in Oxford. This was to see Past National President Martin Green finish his year in the chair before returning home to pack and leave for National Conference in Birmingham.

What a Conference it was! Andy Ventress and his team did a fantastic job and delivered a seamless Conference where the attention to detail was second to none. I know there has been loads written about Conference already so all that remains for me to say here is, thank you guys!

Well my year as your President is finished and together with Lin we visited the International AGM at Landshut in Bavaria recently and the Round Table AGM in Cardiff both superb events. Plus, on April 29th I attended the AGM of The Grosvenor Knights of Chester 41 Club to represent President

Barry. It was good to see old friends as I visited Chester last May for their 30th Charter and both were excellent evenings.

As I look back on what has been an exceptional year I want to say on behalf of both Lin and myself how much we've enjoyed it. I would urge anyone who has the idea of that they would like to try a National Council role to just do it, as you will have one of the best times of your life.

Thank you for the wonderful opportunity of being your National President for 2015 – 2016 and I wish President Barry every success this year.

Yours in Continued Friendship,

Terry Cooper

Our new book, “Friendship Continued”, catalogues in details the last ten years since we published its predecessor in 1995, “Continued Friendship”, which was written by Alan Wilkinson to commemorate our Diamond Jubilee.

Differently to its predecessor, “Friendship Continued” is written by a real 41'er, Frank Venables, who has had extensive involvement with the Association during the period the main part of the book covers, both in this country and in Europe.

The book fulfils two roles, firstly as an update to “Continued Friendship”, but also as a book covering our full history in its own right. It is not just a sequel!

Anybody who has been in 41 Club during the past ten years will read of the friends and acquaintances they have met and made through the Club and of which they may have knowledge through what they have read in our magazine. Read about ‘Grumpy Ex-Tablers’, how the Round Table Family has developed, the changes to our Branding, Platinum Privileges, Conferences, Transmanche, the Charities we have supported and how the Association has changed throughout the past ten years. It poses of course, the question of where we go next!

41 INTERNATIONAL AGM — LANDSHUT, GERMANY

My first International visit as your IRO!

I attended the International AGM held in Landshut, Germany last month. Lesley and I drove down to Vice-President Dave Campbell's home on the Thursday evening as we were flying from Gatwick at 6:00am the following day. Dave and Pauline very kindly offered to put us up for the night.

We arrived midday Friday at Landshut and that night was a traditional Bavarian evening, which started with us all drinking outside because the weather was so lovely! This was a good night of fellowship, meeting friends old and new.

Saturday morning it was an early start for the AGM.

There were 27 countries represented with a total of 450 people at the final night dinner. We had over 60 people from the UK.

It was a good meeting with a video link to the RT school in Nepal which worked very well and a cheque for €5,000 was presented to them.

There were two resolutions put forward by Italy trying again for open membership. It was interesting how they had picked up on the National President of Ladies' Circle GB&I saying that we should have open membership when she addressed the 41 Club National AGM in Birmingham... Anyway, both resolutions were defeated.

Our own man, Andy Waite, sadly didn't get the role of International Secretary but did put on a good presentation. Mika Uusi-Pietilä from Tampere, Finland prevailed.

Luc Trigaux from Belgium was unopposed as Vice-President. He put on very good presentation.

We had three candidates to host the 2018 International Half-Yearly Meeting: Malta, Romania and Morocco. Morocco won it!

Next year's Half-Yearly Meeting is taking place in Italy. The organisers produced a short video showcasing their event. The video is [viewable on the 41 Club Youtube Channel](#).

Next year's 41 International AGM will be held in Sun City, South Africa.

A new 41 Club was affiliated: 41ers of Suriname.

Talks with France are still ongoing. They have now paid in full their capitations in arrears and would like to come back under the umbrella of 41 International.

It was a great weekend of fun, fellowship and making new friends in the true spirit of Round Table and 41 Club and it was over too soon!

By the time you read this, President Barry and I will have been to the AGM in Sweden. A report on that will follow!

PHILL ELLIS — WHAT IS A NATIONAL COUNCILLOR?

Hi, I am Phill Ellis, your National Councillors' Liaison Officer (NCLO).

What a mouthful...

My job is to act as a conduit between the National Councillors and the National Board, to assist the Councillors in any way I can and to relay their findings in the field to the National Board.

So, what is a National Councillor?

He is an ordinary member of a 41 Club, an individual who is willing to visit clubs in his Region spreading the fellowship, assisting the clubs and bringing the view, opinions and needs of the clubs to the attention of National by attending four National Council meetings a year, which take place over weekends. He also participates in peer meetings during these weekends, gaining new experiences and ideas to bring back to his club and Region. I see the person as the key to a thriving Region. He is its eyes and ears, ensuring that it is represented at all times. He shapes the future of his and all 41 Clubs through discussion and debate at National level and by working with his peers.

Why do we need him?

This is simple to answer. A National Councillor represents each and every member in his Region, their views and opinions, and assists them in their 41 Club needs. He is the representative that the other three Clubs in the Round Table Family can contact and work with to grow and develop our

future. Regions can function by themselves, but to deliver fellowship, continuity, fun and the 41 Club experience an individual is needed to coordinate and cement regions together and clubs together within a Region.

The role of a National Councillor is the key to a great 41 Club. They are the ordinary 41ers, who achieve more fellowship, make great friends, enjoy outstanding experiences, learn many

new talents and give in return their time, humour and friendship to us all.

One of our main objectives is: **to promote opportunities for fellowship amongst former members of Round Table**. To do this we need to have clubs meet together a few times a year. Your National Councillor has access to all the clubs near to yours and can put you in touch and let you know what's going on in and around your Region.

Who can become a National Councillor?

Any fully paid up member of an affiliated Club who has served in Round Table at Table, Area or National level or who has served in 41 Club at Club level can become a National Councillor.

Why not you? Drop me a line...

MEMBER BENEFITS

A question that we often hear is, "What does National do for us? What value do we get for our Capitations?"

Well, technically, that's two questions but their answers can be rolled together into a single response.

You just have to look at this page and the next page. They are crammed full not of advertisements but of schemes that can save you money.

We all like to go on holidays, right? Look below. You can save money on your travel insurance. You can also save on your utility bills with Utility Warehouse, you can save serious money if you're in the market for a new car by using Hyundai's Affinity scheme.

Visit www.41club.org/pages/platinum-privileges for full details of the benefits we provide to our members.

Someone has to go out and look for these deals for you and we have to work with the companies providing them in order to set them all up. A small proportion of your Capitations goes towards securing these offers for you, offers that can save you many times the £14.50 you pay the Association for a year's membership.
