STUDIO 434

35 members, partners and guests made a visit to the Studio 434 collection of classic and vintage cars and motorcycles at 434 Mutton Lane in Potters Bar on 19 May. This facility is a hidden gem for enthusiasts and was founded by the entrepreneur Rodger Dudding in the early 2000s. Rodger made his fortune in the '70s when he invented the Lonsto Queue Management System. You will find this in most hospitals and busy locations where you have to take a numbered ticket and your turn then comes up when your number appears on an electronic screen in the waiting area.

As an enthusiast of classic cars, Rodger invested his new-found wealth in rare vehicles and motorcycles. Over the years, Rodger has accumulated a vast collection in excess of 300 truly 'classic' and 'vintage' vehicles. These are currently housed in a retired Green Line bus garage in Potters Bar, Herts. Our group was given access to view the collection, sit in the cars and look under the bonnets. Any technical questions were eagerly answered by the very knowledgeable on-hand staff.

Besides vehicles, Rodger has invested in lock-up garages and over the years has amassed an empire of over 14,000

garages. He rents them out to the general public. He is known as "Mr Lock-up".

Whilst at the site we were taken across to a nearby trading estate where Studio 434/2 was taking shape. This purpose-built building will house over 500 classic cars owned by both enthusiasts and wealthy individuals. The vehicles will be housed in exacting climate-controlled conditions and with a hi-tech security system. This facility will be the largest of its kind in Europe and the building, housed over 4 floors, is larger than the Vatican City in overall footprint!

At the end of the tour the group returned to the nearby Old Owens Sports Association, the monthly meeting venue of Southgate 41 Club, for a buffet lunch and a chance to chat

about the vehicles over a drink or two.

For further information take a look at the website www.studio434.co.uk. 41Clubs who would like to arrange a group visit should contact Luis Santos or Aneta Dlugowolska, telephone 01707 642514.

THANKS, 41 CLUB... YOU JUST SAVED ME A FURTHER £68!

I recently purchased a new summerhouse for the garden from B&Q. Naturally, I ordered it on a Wednesday and saved 10% using my "old man's" discount but by loading the balance onto my B&Q gift card, using Wider Wallet, I saved a further £68. Not bad... a total discount of 17% on the shop price!

This discount is available to all 41 Club Members by simply registering with Wider Wallet.

Look at it another way – I have saved four and a half years' 41 Club capitation in a single purchase.

So what shall I save on next ?????

CHARITY CRUISE AUCTION

In aid of the President's Charity, The Prince's Trust

Fred. Olsen Cruise Lines sponsored a 3-night cruise from Southampton on board The Balmoral departing on 29th September 2017.

The auction finished on July 31st and the top bidder was John Wood from Guildford 41 Club.

John and his wife will hopefully enjoy the River Seine Sojourn cruise.

AREA 14 PAST TABLERS' REUNION

You may or may not know that I am Round Table Area 14's 41 Club Liaison Officer and as a consequence Justin Donne, the current RT Area 14 Chairman, has asked me to arrange an Area 14 Past Tablers' Dinner. Justin would like to see the invitations given to all past Area 14 Tablers irrespective of whether they are members of a 41 Club or not. Even though there are a large number of past Tablers who, for whatever reason, have chosen not to be members of 41 Club, they may nevertheless be happy to share continuing friendship for one night a year, hence the Past Tablers' Dinner.

Before accepting the challenge I wrote to John Lamb, Region 10 National Councillor, to ask if a 41 Club Cluster is to be organised this year. His reply was that there will be a Region 10 Cluster meeting but it will be in the Rotherham/Sheffield area and not in the old Area 14 area. On that basis I was happy to take up the challenge and organise a dinner. It will be on Friday 24 November 2017 at Chilwell Manor Golf Club. After-dinner speakers will be approached as soon as I get back from the 41 Club National Caravan Rally this weekend. This event promises to be a most excellent evening, good food, good speakers but most of all good fellowship.

I attach a flyer for the event and I will be delighted if you would firstly endorse the event, second put it in your diary now, thirdly commit to coming and fourthly share the flyer with all of your past Table friends irrespective of whether they are a member of 41 Club, a past member of 41 Club or never been a member of 41 Club.

In deciding whether to support the event you might like to ask yourself (and your past Table friends) one question, "Do you regret joining Round Table?" If the answer is "Yes" then there is no hope, but if the answer is "No" then what is to stop them from sharing continued friendship for one evening?

Area Chairman Justin Donne has great pleasure in inviting all Area 14 Tablers and Past Tablers whether or not they have left Table or not, or joined 41 Club or not, to join him for Area 14's First Past Tabler's Reunion Dinner.

Guests will enjoy an excellent three course dinner. The bar will be open from 7.00 pm and dinner served at 8.00 pm.

The evening will celebrate Round Table in Area 14 and guests will be encouraged to remember the great days of their Table life as they enjoy the fellowship of their current and past Round Table friends.

Apart from good food and fellowship, guests will be entertained by excellent after dinner speakers but there will be plenty of time for meeting old friends and reminiscing in the bar.

41 Club and Round Table – working together!

INAUGURAL 41 CLUB CRUISE

Eight couples sailed from Southampton on the 13th August bound for the waterways of Belgium and Holland. This was the inaugural 41 Club/Tangent Cruise organised with Fred. Olsen Cruises, one of our Member Benefits partners.

The MS Braemar has a very shallow draft and was therefore able to navigate several waterways not usually open to ocean-going vessels. There were four ports of call: Antwerp, Ghent, Rotterdam and Amsterdam, two of which were first time calls for Fred. Olsen.

We all enjoyed seven days of fun. Fellowship and some very interesting attractions. A full report will appear in the next club magazine and, in the meantime, we are investigating potential club cruises for 2018.

If you are interested in joining us then please keep an eye open for future announcements.

JACK OLDACRES

Jack Oldacres is a 9-year-old boy from Nuneaton with a rare skin condition called "Nethertons Syndrome". In order to help with this condition, he needs specialised equipment in the bathroom.

Fundraising, fellowship and community service are still on the agenda for 41 club and Round Table as they link together with local businesses and the "Georgie's Gift" charity and rally round to help fund and build Jack's Bathroom.

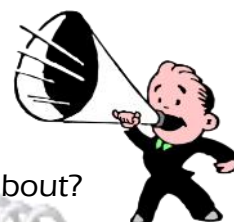

Tom Atkins, National Councillors' Liaison Officer and Nuneaton Past Tablers Club Member with Paul Hextall and Matt Hall from Nuneaton Round Table 136 are pictured with Jack and his mum during a very successful fundraising day at a local social club, where a family fun day raised over £2400 towards the charity. The BBQ alone raised £430.

Gary Marshall, Chairman of Nuneaton Past Tablers club, and his colleagues are building an extension on the Oldacres' house. This is part funded by a grant and the rest from fund raising and free labour, with materials donated or purchased at cost from local merchants.

Georgie's Gift (a local charity) are funding the "Jacuzzi" bath, which will be a great help with Jack's condition, and which is being installed in the extension. Other funds are being raised to kit it out with washing machines and tumble dryers to help Mum out with the mountain of washing each day.

THE OTHER SIDE OF FELLOWSHIP... GARDENING!

We've started doing something new in Wokingham 41, - a bit of gardening for others. You might ask why we would do that... but it's turned out to be rather good for us as well.

It all started because we were looking to do something else. Our social programme is good with joint socials with Tangent and our own programme of "Boys' Days Out", which are great, but some of us thought that we would like to do more.

Thinking back to our old days in Table, we often reminisce about the things we did together, and some of the things we did for our community. That started us thinking about what we old boys could still do now. Something that would fit in with our abilities, that wouldn't encroach on the things done by our Round Table. Eventually, we hit upon the idea of doing some gardening for others.

duties and hobbies.

However, ten of us volunteered to do our bit, but none of us could commit to doing a Saturday morning every month. So we set up a pool of 41'ers from which we make up a Gardening Squad of 4 or 5 for each gardening sortie. That makes it easier for everyone and it also means that members are more likely to join up knowing they don't have to turn out every time.

Since June, we've been cutting the grass and tidying up shrubs. We visit the same gardens each month and have got to know the people we're helping.

ing; they are delighted to have their gardens looking nice again. It's nice to do something to help people, it gives you a real feel good factor. And the pint in the pub after tastes great.

It's great doing things together as we did in our Table days. The fellowship we built up then was often a result of

To cut a long story short, we settled on tidying up private gardens for local people who can't manage theirs any more. We restricted it to one Saturday morning a month to keep it achievable. We do it as a 41 Club team through a volunteer organisation called "Green n Tidy". They find out who needs gardening help from the Council's Welfare Department and they provide the mowers, strimmers etc. and a van for us to use. So, there is very little for us to organise, no equipment required, just willing manpower to do the job.

Not everyone in our Club wants to do voluntary work, nor is everyone able to do it, and those who would like to do something also have busy lives. Even retired members can be fully committed to other voluntary groups, grandparent

doing things as a team. It deepens friendships. As we know from our past, socialising and community service go together so well, they're two sides of the same coin of fellowship.

Yes, we'd recommend it to other fellow clubs, a bit of community teamwork does you good!

REGION 1 & 2 GOLF DAY

This year's golf day was once again held on the prestigious Rosemount Course at Blairgowrie, with over 40 golfers taking part from across the country.

Despite the variable weather, a great time was enjoyed by all and everyone is looking forward to next year's outing.

The prizes for best stableford, scratch score, longest drive, nearest the pin, and best putter were all closely competed for.

President Dave Campbell was on hand to present the trophies to the winners.

President Dave then stayed over for the weekend and enjoyed the Edinburgh Fringe.

LLAY TO LLANDUDNO — SEPTEMBER 5TH TO 7TH

Cast your minds back to July last year. Mark Powell of Northwich 41 Club set about organising a trek around an 'A' to 'Z' of landmarks in North Wales in order to raise £12,000 for six charities.

Sadly, Mark's father passed away suddenly from a stroke in November last year, so he has set himself another fundraising challenge.

The plan this time around is to do a sponsored walk from Llay to Llandudno. Funds raised through this initiative are to go to The Stroke Association, which was the chosen charity of President Terry Cooper in 2015-2016.

Mark himself and two other walkers are former or current members of staff of Barclays Bank, so the bank is matching their fundraising pound-4-pound up to £750 or £1000 for one of them, and the Barclays North Wales Welfare &

Social Club has already donated £250 collected at their quarterly lunches.

Mark's target is £5,000

The plan is to leave the Llay Miners' Welfare Institute around 9am on Tuesday 5th and arrive at Holywell around 4.30 or 5.00pm. A stretch of approx. 20 miles.

Day 2 should be a 9.30am departure from Holywell to arrive 17.5 miles later at the Harbour pub Rhyl around 5.00pm.

Day 3 is to be a 16-mile stretch from Rhyl to Llandudno Pier, arriving around 5.00pm.

Any clubs along the way happy to show support will be most welcome.
