

BIG VISION 5-DAY CHALLENGE

DAY 1 WORKBOOK

Who will I allow myself to become, in
the context of my business?

What is it like, imagining being that
version of me?

In a year's time, how have I expressed
who i have allowed myself to become,
in the context of my business?

What difference have I made?
[This is your Big Vision]

Letter from the future you. Knowing what you now know, what advice would the 'future you' give the 'you', here in this moment?
