Thank you for all of the donations made during our Red Nose Mufti event. The children looked fantastic and helped to raise £541.98. An amazing effort. Thank you for your support.

A concerned parent has brought it to my attention that a number of parents have been discussing, through social media, other people's children.

This is highly inappropriate and as a Christian and Values school, I am shocked that this is happening.

The children's needs and welfare are, and should always be, at the heart of all our endeavours and this behaviour damages the ethos of our school and the trust between parents, not to mention the poor example it sets for our children.

I have no control over the use of social media amongst our parent group but I implore the whole community to show tolerance and compassion and if there are concerns that they should be raised in an appropriate and supportive manner.

Year 6 Red Nose Bake Sale

Congratulations to all those involved in the bake sale on Red Nose Day. A fantastic £151 was raised for those in need all around the world.

The children were all the more determined to support the fundraising event after a water carrying activity that helped them realise just how lucky we are to have clean running, Well done.
