# MARK RUTHERFORD SCHOOL

September 2020

Dear Year 6 Parent, Carer and Student

Mark Rutherford School prides itself on a strong community ethos and are disappointed that in the current climate we cannot meet you in person. However, the current need to minimise contact means tours around the school are not possible at this time.

We would, therefore, like to invite you to access our 'Virtual Open Evening' presentation which will go live on our website no later than the 15<sup>th</sup> October 2020. Our prospectus is also available on the website and an update will be added by the 8<sup>th</sup> October 2020.

The Virtual Open Evening will be an interactive tour of the school allowing you to go into classrooms, meet students and hear the experiences of our current Year 7 students as well as meet and hear from a range of staff.

The tour will begin with a presentation from myself and then a journey through the whole site that you will be able to navigate. We are confident the interactive tour will give you a good understanding of how great Mark Rutherford School is.

In addition, we will be visiting in person or virtually with each primary school to talk about Mark Rutherford School and answer any questions Year 6 students may have.

We are planning to have an open event to allow visits to the school in the summer term, assuming we have overcome the Covid 19 restrictions. More information will be communicated regarding this closer to the time.

In the meantime you can email any questions you have to [newintake@mrus.co.uk](mailto:newintake@mrus.co.uk)

Yours faithfully

Mrs J Bloor  
Headteacher
