

Great Barford Church of England Primary Academy

'Growing together through learning, friendship and worship'

Dear Parents/Carers

As part of the Year 2 topic **Muck, Mess and Mixtures** we have planned an 'engage' session on **Wednesday 16th September**, where pupils will be experimenting with different messy materials. They will have the opportunity to pour, ladle and feel a range of different materials that may include playdough, shaving foam, custard, jelly, cornflour and water mixture, paint and leaves.

The session has a risk assessment in place and increased hand washing procedures will be put in place to keep everybody safe.

Please complete and send back the form below to inform us if your child has any allergies that may affect their participation in the session.
