### Phonics at Home - Learning Letter Sounds

Try these ideas at home, keeping it short and fun!

We will send out the letter sounds that we have been learning every couple of weeks.

Cut out the letters to make little cards.

1. Practise each letter sound on its own, (use the **sound** rather than the name).
2. Have a go at making short 2 and 3 letter words, practise blending them together.
3. You sound out the word, 1 sound at a time and see if your child can guess the word!
