Homework

Dear Parents and Guardians,

As you will see from your homework grids we have made a change to homework expectations this year. All children will continue to be expected to learn weekly timestables and spellings as well as read each night.

We recognise how busy family life is and the difficulty this creates in regularly finding meaningful time to complete longer homework tasks. Therefore we will continue to offer other activities on the homework grid however, these are now all **optional and there is no expectation to complete all or any of these activities.**

This change has been made in response to the outcomes of the parental survey undertaken last year. If you have any questions please feel free to contact school.
