

Mary Paterson.

I became a co-opted governor in July 2015 with a four year term of office. I attend the Finance/Strategic Development, Pupils/Personnel and Pay committees and my areas of responsibility are The Early Years Foundation Stage and Maths. I am also an Appraiser for the head teacher. My younger grandson is a pupil in the school. Having many years' experience as a primary teacher and head teacher I have an understanding of all aspects of school management and the demands placed on schools. Banks Road Infant and Nursery School is a very good school and one which is constantly striving for improvement. I am very keen to utilise my skills to support the team in achieving their aims and objectives.

I am a Co-opted Governor at Bispham Drive Junior School.

I have no business interests which would conflict with the school.
