## Absence reporting

If your child is unable to attend school due to illness, please inform the school office by 9am on 917 9881.

Please remember that if your child has sickness or diarrhoea they should not return to school for 48 hours.

## IMPORTANT MESSAGES

### Sublime Science

We are looking forward to Science Week in school, which begins with a special assemble, led by Mrs Clemens. A special Sublime Science session will take place on Friday, when the children will have the opportunity to make and taste their very own sweets. We do need a returned permission slip, alongside the voluntary contribution of £2.50 to allow children to be able to taste the sweets they have created. Due to health and safety, any children without written permission will not be able to taste the sweets they make.

### Parking

Please may we ask that you are considerate when parking around school. Our first priority is the safety of children and so please do not park on the zig zag lines or on corners. Please also bear in mind that local residents need to access their houses and buses and the emergency services also need adequate space. The school carpark is for staff only, and should not be used by parents or carers, unless previous arrangements have been made by Mrs Clemens. We also ask that you do not use that carpark as a cut-through, due to health and safety concerns.

### Parents Evening

Parents evening booking is now live on eSchools. If you have any issues accessing this then please contact the school office.

### Year 1 Shows

Our year 1 children will be presenting their shows on the week before the Easter break. Parents and carers of children in Cherry Class are invited to attend on Tuesday 2<sup>nd</sup> April at 2pm. Parents and carers of children in Maple class are invited to attend on Thursday 4<sup>th</sup> April at 2pm.

### Class Attendance week ending 8<sup>th</sup> March 2019

**Congratulations Willow – 100%**
