

I was elected as a Parent Governor in November 2016, with a four year term. I have one child aged 4 at Banks Road and another who will attend the school from September 2019.

I am pleased to have the opportunity to contribute to the future of the school and the education of not only my own children, but all who attend, as well as providing a voice for the parents of the school.

I have 10 years' experience working as a Learning and Development professional and as such have knowledge of learning techniques and principles that I am sure will help me in the role of Governor.

I can confirm that I don't have any additional business interests which may conflict with the school.
