

Tanzania safari serengeti Details

This four days Tanzania safari serengeti will take you to the most famous park in Northern Circuit, you will have enough time to explore Serengeti National Park and finish with Ngorongoro Crater. People taking this safari have a very big chance to see big cats and all big 5 and in the months of between (December to May) the great wildebeest migration.

Day 1: Arusha To Serengeti National Park

Morning drive to Serengeti National Park, for afternoon game drive with packed lunch. Over the next two days, we will plunge ourselves deep in the heart of this famous migration corridor. With its wide-open spaces, bright blue skies and creature-filled landscape, we will discover why the fabled Serengeti typifies the dream of “Old Africa”. Large prides of lions laze in the tall grasses; families of elephants feed on acacia bark and trumpet to each other across the plains; while giraffes, gazelles, monkeys, eland and the whole range of African wildlife present themselves in awe-inspiring numbers. Overnight at Nguchiro Campsite.

Day 2: Serengeti National Park

Today will be the “Serengeti game viewing day”. After breakfast this morning, enjoy an amazing game drive. The great diversity of Serengeti wildlife is evident here—look for buffalo, hippopotamus, elephant, giraffe, antelope, Thompson’s and Grant’s gazelle, and lions. If you are there during the spectacular wildebeest migration, you will be more than astonished. In the late afternoon we venture out in another game drive. Everywhere there are animals, monkeys and, yes, birds...but look closely and you will be thrilled to see the huge jungle cats—lion, leopard and cheetah—watching the world go by. And go by it does. Rhino, gazelle, antelope and massive elephants by the hundreds. Animals in the trees, flying, camouflaged in the bush, in rivers and in streams. This is the adventure of a lifetime! Overnight Nguchiro Campsite.

Day 3: Serengeti To Ngorongoro Crater

After breakfast, am game drive in Serengeti National Park with picnic lunch, until noon, where you

will have again game drive to see the beauty of this great Park? Afternoon after lunch game en route to Ngorongoro Crater for Dinner and overnight at Ngorongoro Crater. Overnight at the camp.

Day 4: Ngorongoro Crater To Arusha

After early breakfast around 05:50am, descend down crater at 06am for 6-7hrs game drive, with picnic lunch. We venture onto the crater floor for an up close at the residents of this World Heritage Site, and enjoy a picnic lunch here. The Ngorongoro Crater provides great game-viewing all year-round. The wildlife here makes up a permanent population because grazing and water supplies are plentiful throughout the seasons. Afternoon drive back to Arusha. End of tanzania safari serengeti!
