At the international airport Resnik Airport (SPU) in Split you will be met by our staff. There are very cheap flights to Split from almost all major airports in Europe and especially from Germany. Participants from outside Europe can use the international airport Franjo Tuđman Airport (ZAG) in Zagreb as a stopover.

We will welcome you on arrival and take care of your transfer from airport in Split to your hotel in Trogir. The hotel is only 5 minutes away from the parking spaces and our Meet&Greet location for the motorcycles.

Almost all BMW GS models are at your disposal, our bikes are all as good as new and in top condition, so don't worry, you can look forward to the tour!

BMW F750GS, BMW F800GS, BMW F850GS, BMW F900GSA, BMW R1250GS, and BMW R1300GS.

The evening before departure, and before dinner together, we will inspect the motorcycles together. We will carry out any necessary set-up, for example for the rider height, and you will receive a thorough briefing. You will then have the opportunity to stow some of the luggage you have brought with you in the practical side cases and the top case. And the best thing about it: the next morning you can store all your luggage that is not going on the trip - such as suitcases etc. - in our rooms, dry and carefree.

Luggage transportation is therefore not necessary. All motorcycles have sufficient storage space, even with a passenger.

All necessary information, such as the tour itinerary, the complete service contents, possible upgrades, and available motorcycles from the day of your arrival in Split (Croatia) and your return to your home country, can be found "[here](#)."
