

An exceptional and promising tour south of the Alps + Route de Grandes Alpes!

Croatia (HR)

Italy (IT)

Switzerland (CH)

Alps (IT-CH-F)

France (F)

We cross 4 countries and cover a distance of approx. 2205 miles together. The tour extends over 18 days; 18 unforgettable days and unforgettable experiences.

We know there are lots of similar tours out there. But we also know that this tour still has a unique point. We've planned this tour down to the last detail.

When we were planning, we thought it was really important to have fun riding together and also to show our companions as much as possible of the fabulous landscapes of Croatia, the Swiss Alps, France and especially those of the Route des Grandes Alpes.

You arrive at the international airport, Resnik Airport (SPU) in Split. There are very cheap flights to Split from almost all major airports in Europe. Participants from outside Europe may be able to use Franjo Tuđman International Airport (ZAG) in Zagreb as a possible stopover.

We will welcome you on arrival and arrange your transfer from the airport in Split to your hotel in Trogir, very close to our Meet & Greet location of our motorcycle fleet and our starting and ending point.

Of course, we use our own motorcycles for this tour. In our fleet we only have as good as new machines, such as

BMW F750GS,

BMW F800GS,

BMW F850GS,

BMW F900GS Adventure,

BMW R1250GS or

BMW R1300GS.

(All motorcycles are fully equipped with all the features that BMW has to offer. Furthermore, all motorcycles have a main case and 2 side cases. All panniers have inner pockets, so there is no need for time-consuming mounting and dismounting of the panniers. If required, additional panniers are also available for the crash bars and on top of the side cases. All motorcycles are available in different seat heights)

On the evening before our departure and before dinner together, we will inspect the motorcycles together and carry out any necessary set-up, e.g. for the rider height. A briefing is of course also included. You will then have the time to stow some of the luggage you have brought with you in the side cases and the top case. The next morning, you can then store all your luggage that is not going on the trip - such as suitcases etc. - in our rooms, dry and carefree.

All necessary information, such as the tour itinerary, the complete service contents, possible upgrades, and available motorcycles from the day of your arrival in Split (Croatia) and your return to

your home country, can be found "[here](#)."
