

Escape the Highway: The Ultimate Hai Van Pass & Monkey Mountain Loop

Get ready for the quintessential Vietnamese two-wheeled adventure. This action-packed day tour takes you far beyond the standard tourist tracks, combining coastal thrills, winding mountain passes, local culture, and spectacular wildlife.

The Ride Itinerary

- **The Backroads & Countryside:** Leaving Hoi An, we skip the hectic main highways and dive straight into the scenic countryside. We'll navigate quiet backroads around the rear of Da Nang, giving you a front-row seat to local rural life and stunning natural landscapes.
- **The Legendary Hai Van Pass:** Next, we tackle the main event—the world-famous Hai Van Pass. Feel the thrill of carving through its iconic, sweeping bends as you climb high above the ocean, offering panoramic views of the coastline.
- **Beachside Lunch at Lang Co:** Dropping down the northern side of the pass, we'll head to the pristine shores of Lang Co. Here, we'll take a breather and enjoy a fresh, delicious local lunch right on the beach.
- **Conquering Monkey Mountain (Son Tra):** After riding back over the pass via a completely different perspective, we head up the winding roads of Son Tra Peninsula (Monkey Mountain). Keep your eyes peeled—if we're lucky, we'll spot the rare, wild Red-shanked Douc Langurs that call this lush peak home.
- **The Coastal Cruise Home:** We'll wrap up an unforgettable day with a breezy, scenic cruise right along the coastline, tracing the beach all the way back into Hoi An as the afternoon light hits the water.
