

Element ST Hex

Code: I226100379

The ADJ Element ST HEX is the of the latest addition to ADJ's Element series of battery powered wireless LED up-lighters. Building on the success of ADJ's popular Element Hex, the new model features an extremely compact design as well as a full-color touch screen display for extremely easy setup and DMX addressing. Utilizing the power of 4 x 6-Watt RGBAW+UV LEDs to generate a powerful wash of color with a 20-degree beam angle, the fixture features a built-in rechargeable battery that offers up to 8 hours of continuous operation as well as ADJ's WiFly EXR wireless DMX connectivity. Cleverly designed with a built-in variable-angle kick-stand and convenient carry handle, the unit is ideal for production companies, décor specialists and mobile entertainers.
