To whom it may concern

This letter is to confirm that a team of employees from Adrok Ltd in Edinburgh are currently taking part in a fundraising competition called Million Makers, in aid of The Prince's Trust Scotland.

The team have been challenged to plan, promote and implement fundraising ideas in order to make a profit of at least £10,000 in just six months.

The money raised by this team will go towards changing the lives of disadvantaged young people between the ages of 13-30, giving them the practical and financial support they need in order to make a positive change and move into education, training or employment.

The Prince's Trust Scotland kindly asks that you please consider supporting the efforts of Adrok Ltd and thereby support our work in helping young people to make a positive change to their lives.

Please do not hesitate to contact me if you have any questions.

Yours faithfully
