765 (!) player survey responses are being collated and will be presented at a meeting at the Ageas Bowl in early August.

Each club will shortly receive an invitation for two people to attend, one of whom must be a current player.

The next stage will be for players to discuss next steps back at their clubs.

Every club attending will receive two tickets to the NatWest T20 Blast / Southern Vipers double header on Thursday 10 August.

#MyHantsGameDay asked for players' views on:

- Start times
- Number of overs
- Restructuring to reduce travel time
- Introduction of "Player Loan" system to allow players to play for more than one club
