#MyHantsGameDay

Many thanks to the 765 (!) players and volunteers who completed the #MyHantsGameDay survey.

The results are currently being analysed and will be presented at a meeting on Monday 7<sup>th</sup> August at The Ageas Bowl.

An invitation has been sent to cricket club captains, chairs and secretaries, and a summary of the responses will then be published via email, website and social media. Please do not hesitate to contact any working party member for further information or in the event of any query, and thank you again for taking the time to participate in the survey.
