

The background features a light green color with a complex pattern of fine, overlapping wavy lines that create a sense of depth and movement. A prominent vertical structure, resembling a stylized tower or a central axis, is formed by these lines, extending from the top to the bottom of the frame. The overall aesthetic is modern and architectural.

BUILDING 2

INTRODUCTION

Welcome to Moretown, a dynamic 600,000 sq ft office campus where community thrives. Formerly Thomas More Square, the campus has been completely re-imagined into a vibrant hub, perfectly positioned with connections to the City, West End, and Southbank.

The refurbishment has delivered exceptional, open-plan offices designed for modern business. Flooded with natural light and featuring highly efficient floor plates, these workspaces provide an inspiring backdrop for the workday, crowned by striking panoramic views across London's iconic cityscape.

THE GREAT OUTDOORS

Moretown offers a rare balance of dynamic city life with moments of natural tranquility. The campus itself is thoughtfully landscaped, creating green courtyards perfect for taking a break, enjoying lunch outdoors, or finding a moment of quiet.

Just steps from Moretown's entrance is St. Katherine Docks. The stunning marina provides an unparalleled waterside environment perfect for lunch or coffee breaks. The open water, yachts, and dockside paths offer a unique "blue space" for a refreshing walk or a change of scenery. For those seeking greenery, nearby riverside gardens provide peaceful walking routes and a quiet retreat from the urban pace.
