GENERAL DESCRIPTION

An extensive and prominently located former trade counter unit briefly comprising a steel framed open plan trade counter unit with recently clad front facing elevation. Adjacent to the main trade counter are further single storey structures with traditional masonry elevations supporting flat roof surfaces, providing additional storage and/or office areas. There is also a Portal framed building with metal clad and masonry elevations supporting a pitched roof surface providing an additional warehouse or workshop. The interior comprises a large open plan warehouse/trade counter area with adjoining offices, leading to further warehouse space, former offices and toilets. The building has a new metal clad frontage and new tarmacadam surfaced carpark for up to 15 vehicles. The property benefits from aluminium glazed powder coated front entrance with sliding electric doors, suspended ceiling and LED strip lights. In the loading bay and store areas are two roller shutters allowing dock level loading access for deliveries.

LOCATION

The unit is located on the junction of Baptist Street and Waterloo Road (A50) close to the centre of Burslem and 1 mile from Hanley city centre. Junctions 15 and 16 of the M6 motorway are both within 7.5 miles of the property in either direction.
