Location

Strategically located within Dundee Technology Park, Ruby House enjoys a prime business address with excellent connectivity. Positioned just off the Swallow Roundabout, the property offers direct access to Riverside Drive (A85)—a key arterial route leading to Dundee city centre, the Tay Road Bridge, and the A90 dual carriageway network.

This well-established and landscaped business park combines the convenience of rapid commuter links with a calm, professional setting—ideal for modern occupiers. The surrounding area is home to a range of commercial businesses and amenities, reinforcing Luna Place’s status as a prominent and accessible base for enterprise.

Dundee itself is a vibrant, future-facing city, recognised as a centre of excellence in digital innovation, life sciences, education, healthcare, creative industries, and tourism—offering a dynamic and resilient economic environment for ambitious businesses to thrive.

Description

Ruby House is a fully refurbished, modern office building offering a flexible range of high-quality suites tailored to suit businesses of all sizes. With a focus on functionality, sustainability, and tenant well-being, the property has undergone significant upgrades including:

- Contemporary communal areas
- Dedicated shower and “end of journey” facilities
- Generous on-site car parking with 10 EV charging points

The offices are fully air-conditioned, equipped with state-of-the-art, energy-efficient VRF systems, and benefit from rooftop solar PV panels—significantly reducing the building’s environmental footprint. These enhancements support the building’s EPC A rating and align with its ambition to achieve carbon neutrality within months of occupation.

With its blend of contemporary design, green credentials, and future-ready infrastructure, Ruby House offers a standout working environment for progressive, sustainability-conscious occupiers.
