1 mile to
M60 J21.

BREEAM
'Very Good'.

Clear internal
height of 8.5m.

Warehousing that Works.

High performance space for your business.

Flexible industrial/warehouse units finished to a high specification to include fitted lobby and fitted first floor offices with air conditioning, kitchen areas, LED lighting and DDA compliant ground floor WCs.

Broadway Central is strategically located within 1.5 miles of Junction 21 of the M60 motorway and 4.5 miles of Junction 20 of the M62 motorway. From here, Manchester International Airport can be reached within a 20 minute drive and the city centre is just six miles away.

We take a forward-thinking approach to consider and minimise the impact of our developments on the environment throughout the course of their life cycle, from design and construction through to operation. Working with leading sustainability consultants, Indurent embrace the latest technologies and methods to achieve future-proof solutions.

Warehousing that Works.

8.5m clear internal height, offering excellent space for storage and operations.

Active and passive **Electric Vehicle** charging points.

15% roof lights reduce the need for additional daytime lighting and provide a light, bright environment for your employees.

BREEAM Very Good placing these warehouses in the top 25% of warehouses in the UK for sustainability.

With an **EPC A** rating, customers can lower their energy bills, all whilst delivering net zero carbon offices.

Solar PV panels on roof for reduced energy cost to occupiers.

These units benefit from **permitted Class E** use, suitable for a range of leisure uses.

Warehousing that Works.

You're well-connected.
