The location benefits from excellent transport links by road, rail and bus. DESCRIPTION

The property is a traditional semi-detached former care home situated on a regular-shaped site, with garden areas to the front and rear and car parking located at the rear.

Arranged over two storeys, the original house has been converted and extended to provide residential care accommodation. A two-storey rear extension incorporates the kitchen and dining facilities, together with an additional bedroom and three bathrooms.

In total, the property provides six bedrooms, six bathrooms, a residents' lounge, dining area, and kitchen, arranged across the ground and first floors.

The property has only recently ceased trading as a care home and may be suitable for a range of alternative multiple occupancy uses. It also offers potential for conversion to residential use or commercial redevelopment, subject to obtaining the necessary planning consents and licences.
