

The image shows a large, empty interior space, likely a modern office or community center. The floor is made of light-colored wood planks. The walls are white, and there are several large windows on the right side, providing a view of greenery outside. The ceiling is white with recessed lighting fixtures. A white pillar is visible on the left side. The overall atmosphere is bright and clean.

Susskind.

Chapel House, 18 Hatton Place EC1

Chapel House at 18 Hatton Place links Hatton Wall and St Cross Street, just a 4-minute walk from Farringdon station. Each floor features its own kitchen facilities, heating and cooling systems, perimeter trunking, excellent natural light, and impressive ceiling heights. The ground floor is fully self-contained and includes a private courtyard.
